FIRST READING EMERGENCY ORDINANCES READ IN FULL AND PASSED

Ord. No. 608-03. By Council Member Gimperman.

An emergency ordinance consenting and approving the issuance of a proposal for the Cleveland Marathon, Inc.

WHEREAS, Cuyahoga County’s funding from the State for human services was cut by $100 million in 2002 and additional cut of $9 million in state funding is proposed in Governor Taft’s 2004-2005 budget; and

WHEREAS, programs to train people on welfare and provide job placement services have been reduced $83 million a year and this cut results in a reduction in job search and job readiness programs in Cuyahoga County; and

WHEREAS, an additional $38 million of money designed to assist people with job placement was cut by the State of Ohio; and

WHEREAS, such money has been successfully used in the past to fund the following: job retention services helping people retain personal and workplace issues; outreach efforts with churches and community agencies to inform their clients and members of the availability of health care, childcare, and other benefits; constructive after-school programs with education for children too old to use daycare; housing assistance for families in danger of eviction to assist such families in retaining stable housing and providing counseling to resolve the problem; better budgeting; parent support programs to educate parents on the need for more involved parenting and participation in children’s schooling and activities; and Safety Net programs to work with families with children who are vulnerable due to the termination of time-limited cash assistance; and

WHEREAS, the Cuyahoga County Early Childhood Initiative, one of the top 25 early childhood programs in the country, which provides extensive home visiting programs for teens and new mothers, quality daycare for special needs children, and other programs which improve developmental outcomes for children and help prepare them for school, was cut by almost $5 million in the last state budget and faces yet another potential reduction by the State in the upcoming budget; and

WHEREAS, the local child care system was cut by $1.3 million by the State for parent support services which provide daycare services for families, parent education services relating to Sudden Infant Death Syndrome, first aid, CPR, workplace issues; and

WHEREAS, the State is considering a proposal that will roll back the subsidized daycare eligibility levels and could force the working families of 3,200 children to make choices between caring for their children and helping their parents to choose to leave children with older siblings or even themselves in order to continue to go to work; and

WHEREAS, the State is considering a proposal that will cut Medicaid eligible working poor adults and disabled seniors, leaving an additional 9,000 more people in our community without healthcare, many of whom are parents of children who sustain their benefits, but only if the parents can understand that their loss of benefits does not include the child’s loss of benefits; and

88
Whereas, the funds to protect abused and neglected children have been reduced in the current biennium budget by $2.75 million and an additional cut of $1.9 million is scheduled in Governor Taft’s 2004-2005 budget; and

Whereas, these funds are used to train foster parents, recruit adoptive parents, serve children transitioning out of foster care, and work with schools to help support families and children; and

Whereas, the State of Ohio has proposed to completely cut the funds providing for protective services for vulnerable seniors in our community; and

Whereas, these funds are used to investigate allegations of abuse and neglect; and

Whereas, the State of Ohio also proposes to cut funding for nursing home eligible seniors, funding that allows seniors to remain in their homes and receive less costly nursing care than those provided by a nursing home; and

Whereas, the State of Ohio proposes to cut funding for dislocated workers, services that in a lagging economy provide important support for adults and young people; and

Whereas, the partnership between Cuyahoga County and the State of Ohio to adequately maintain the social safety net of human services has been severely eroded by the reductions in funding provided by the State of Ohio; and

Whereas, the Board of County Commissioners of Cuyahoga County, Ohio, has determined that it is necessary to enhance the support provided locally for vital human services; and

Whereas, the Board of County Commissioners of Cuyahoga County, Ohio, has declared it necessary, in order to continue to serve the citizens of Cuyahoga County with vital human services, to replace the current 3.1 mill Human Services Levy with an additional 0.8 mill; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health, or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council hereby declares to be an emergency measure, and, by an affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approves the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

Res. No. 570-03,
By Council Member Rybka.

An emergency resolution objecting to a New C1 Liquor Permit to 7020 Harvard Avenue.

Whereas, Council has been notified by the Department of Liquor Control of an application for a New C1 Liquor Permit at Eden Oil, Inc., DBA Harvard Gas USA, 7020 Harvard Avenue, Cleveland, Ohio 44105, Permanent Number 2443405; and

Whereas, the granting of this application for a liquor permit to this high crime area, which is already saturated with other liquor outlets, is contrary to the best interests of the entire community; and

Whereas, the applicant does not qualify to be a permit holder and/or has demonstrated that he has operated his liquor business in disregard of the laws, regulations or local ordinances of this state or any other state; and

Whereas, the place for which the permit is sought is so located with respect to the building or business that it substantially interferes with public decency, sobriety, peace or good order; and

Whereas, this objection is based on other legal grounds as set forth in Revised Code Section 4303.292; and

Whereas, this resolution constitutes an emergency measure providing for the immediate preservation of the public peace, prosperity, safety and welfare pursuant to Revised Code Section 4303.26 of the Revised Code of Ohio; and

Whereas, this hearing be held in Cleveland, Cuyahoga County.

To be resolved by the Council of the City of Cleveland:

Section 1. That Council does hereby record its objection to a New C1 Liquor Permit at Eden Oil, Inc., DBA Harvard Gas USA, 7020 Harvard Avenue, Cleveland, Ohio 44105, Permanent Number 2443405; and requests the Director of Liquor Control to set a hearing for said application in accordance with provisions of Section 4303.26 of the Revised Code of Ohio.

Section 2. That the Clerk of Council be and he is hereby directed to transmit two certified copies of this resolution, together with two copies of a letter of objection and two copies of a letter requesting that the hearing be held in Cleveland, Cuyahoga County.

Whereas, the state budget cuts will put into jeopardy funding to the many human and social service providers which provide transitional housing and emergency shelters for an increasing homeless population; and

Whereas, the state budget cuts will put into jeopardy funding the State of Ohio’s Housing Trust Fund, which has been used to build neighborhoods in the City of Cleveland; and

Whereas, the Ohio Housing Trust Fund, and other housing related programs have been funded by the State at approximately $50 million per year; and

Whereas, the CDC’s, housing developers, social service providers and homeless facilities in Cuyahoga County and the City of Cleveland all benefit from these resources and have been very successful in competing for these funds, but now they face a lost in funding as a result of the state’s policies, both Federal and State; and

Whereas, Governor Robert Taft has proposed doubling the county record fee, which would provide a dedicated, stable source of revenue for the Ohio Housing Trust Fund for many years to come, however the Governor has also stripped every revenue dollar from housing program budgets, and has reduced the state’s commitment to housing programs overall by 23 percent; and

Whereas, should the state general assembly reject the notion of doubling the recordation fee, there would be literally no state dollars in the budget for housing programs; and

Whereas, there should be support that the recordation fee increase be solely dedicated to fund the Ohio Housing Trust Fund; and

Whereas, the state budget cuts will put into jeopardy funding to the Medicaid program, which provides health coverage and services to low-income working parents that keeps them healthy and employed; and

Whereas, the state budget cuts will put into jeopardy funding to the Second Harvest Foodbanks, which provide meals to senior citizens, children, and to shelters, transitional supportive housing and homeless facilities in Cuyahoga County and the City of Cleveland that are in need.

City of Cleveland strongly urges the Ohio General Assembly and Governor Robert Taft to consider restoring the appropriate funds to these social support programs, homeless shelters, transitional supportive housing and the Housing Trust Fund so that these citizens will continue to receive assistance and Services without any interruptions.

Section 3. That the Clerk of Council be and is hereby directed to transmit two certified copies of this resolution to the Ohio General Assembly and Governor Robert Taft urging them to consider the impact that these budget cuts will have on the various social support agencies, and to restore the funding to these agencies at their previous levels.

Section 4. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.
