ADOPTED RESOLUTIONS AND ORDINANCES

Res. No. 555-10
By Council Members Brancatelli, Westbrook, Mitchell, Cleveland, Polensek, Sweeney, Kelley, Brady, Zone, Conwell and Cummins.

An emergency resolution urging the Ohio House of Representatives to support and pass H.B. 323.

Whereas, the foreclosure crisis continues to result in thousands of foreclosure filing in the City of Cleveland; and

Whereas, banks and mortgage companies fail to execute on the decree for sale of the property; and

Whereas, the banks and foreclosure companies fail to assume title per the legal decree of foreclosure; and

Whereas, these "toxic title" properties become unmarketable — then become a dangerous blight and are harmful to the neighborhood health, safety and welfare; and

Whereas, the Ohio General Assembly is considering H.B. 323 that will provide assistance to local government to address bank "walkaways and toxic titles"; and

Whereas, H.B. 323 provides a systematic judicial authority to remedy the failure to execute a foreclosure decree; and

Whereas, H.B. 323 provides for the following remedies:

- requires a preliminary judicial report or a commitment for an owner's fee policy of title insurance to be filed along with the filing of the complaint for foreclosure instead of 14 days after filing the complaint as under existing law;

- requires the plaintiff in a foreclosure action to file a motion requesting a default judgment under specified circumstances and establishes that failure to file as required results in dismissal of the action;

- permits a plaintiff requesting a default judgment to also request a transfer in lieu of sale and in lieu of the right to a deficiency judgment under specified circumstances;

- prohibits the sale at a sheriff's auction of a foreclosed residential property that constitutes a public nuisance and prohibits the county recorder from recording the deed for such a property;

- requires a probable cause hearing to determine if a foreclosed property could be a public nuisance and specifies the basis upon which a court could find probable cause;

- permits a plaintiff or other lien holder to present information at the probable cause hearing, to pledge to abate the nuisance while the foreclosure action continues, or to purchase the property at auction and abate the nuisance after gaining title to the property;

- grants the court continuing jurisdiction when it grants permission to abate a nuisance;

- permits specified interested parties to intervene in a foreclosure action to bring a nuisance abatement action against the property;

- requires the plaintiff to file for a writ of execution of a judgment on a foreclosed residential property within 60 days after the clerk files the judgment, and establishes that failure to file is grounds for the court deeming the property abandoned unless good cause is shown;

- generally prohibits a plaintiff and other lien holders from withdrawing or seeking dismissal of a petition for a writ of execution or an order of sale unless for good cause;

- enables a court to deem foreclosed residential properties abandoned when the plaintiff does not seek a writ of execution as required or a property fails to sell at sheriff's auction three times;

- provides for the transfer of abandoned property to the board of county commissioners for use pursuant to rules the commissioners adopt;

- generally exempts a board of county commissioners from liability with respect to abandoned properties that are transferred to it;

- places additional duties on the clerk of courts with respect to notices, and requires clerk to collect an additional fee of \$20 for each foreclosure filing;

- permits a plaintiff to make a written bid on a property prior to a sheriff's sale and enables the sheriff to open the auction at that price;

- prohibits charging fees to a purchasing lien holder in a sheriff's sale prior to the time the purchase price is due;

- establishes a procedure for the court to confirm a sale at auction by deeming the sale final if no objections have been received;

- enables purchaser at sheriff's sale to submit the deed for recording upon payment of balance of price along with an affidavit promising to file, and establishes that failure to do so may result in contempt of court;

- establishes new procedures for pricing residential properties at a sheriff's sale;

- expands the Public Nuisance Law to include land, subsidized housing, and any type of building — not just buildings that contain residential units;

- excludes from the Public Nuisance Law buildings with three or fewer residential units and that are owner occupied unless the building is undergoing foreclosure and is the subject of a nuisance probable cause hearing; and

- provides that properties foreclosed due to delinquent taxes that are forfeited to a political subdivision, school district, or land bank are free of taxes, assessment charges, penalties, interest, costs, and subordinate liens; and

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council urges the Ohio House of Representatives to support and pass H.B. 323.

Section 2. That the Clerk of Council is hereby directed to transmit copies of this resolution to Governor Ted Strickland, Speaker of the House Armond Budish, Ohio House Representative Dennis Murray, Ohio House Representatives, for the City of Cleveland, Barbra Boyd, Robin Belcher, Sandra Williams, Michael DeBose, Michael Skindell and Mike Foley, and City of Cleveland Mayor Frank Jackson.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise, it shall take effect and be in force from and after the earliest period allowed by law.

Res. No. 556-10.

By Council Members Cimperman, Mitchell and Cummins.

An emergency resolution supporting President Obama's Memorandum for the Secretary of Health and Human Services on the subject of "Respecting the Rights of Hospital Patients to Receive Visitors and to Designate Surrogate Decision Makers for Medical Emergencies"; and urging Governor Strickland to issue a similar memorandum, and the Ohio General Assembly to adopt a Patients' Bill of Rights to give each patient the right to designate visitors who shall receive the same visitation privileges as the patient's immediate family members.

Whereas, on April 15, 2010, President Obama issued a Memorandum for the Secretary of Health and Human Services regarding the subject of "Respecting the Rights of Hospital Patients to Receive Visitors and to Designate Surrogate Decision Makers for Medical Emergencies"; and

Whereas, in the Memorandum, President Obama addresses the problem of patients all across America being denied the caring of a loved one to comfort them and act as a legal surrogate; and

Whereas, President Obama highlighted widows or widowers denied the comfort of a good friend, members of religious orders unable to choose someone other than an immediate family member to visit them and make medical decisions, and gay and lesbian Americans who are often barred from the bedsides of the partners with whom they may have spent decades of their lives; and

Whereas, for these Americans, the failure to have their wishes respected concerning who may visit them or make medical decisions on their behalf has real consequences, both in obtaining medical information, and in senselessly denying patients comfort of companionship; and

Whereas, President Obama acknowledged that many States, including North Carolina, Delaware, Nebraska, and Minnesota, have tried to end these problems by amending or adopting a Patients' Bill of Rights to give each patient at every hospital in the State "the right to designate visitors who shall receive the same visitation privileges as the patient's immediate family members, regardless of whether the visitors are legally related to the patient"; and

Whereas, President Obama stated that his "Administration can expand on these important steps to ensure that patients can receive compassionate care and equal treatment during their hospital stays"; and

Whereas, President Obama requested that the Secretary of Health and Human Services take certain steps, including but not limited to, 1) initiating rulemaking to ensure that hospitals that participate in Medicare or Medicaid respect the rights of patients to designate visitors, and may not deny visitation privileges on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity, or disability; 2) ensuring that all hospitals participating in Medicare and

Medicaid are in full compliance with regulations promulgated to guarantee that all patients' advance directives, such as durable powers of attorney and health care proxies, are respected, and 3) providing additional recommendations to the President within 180 days on actions the Department of Health and Human Services can take to address hospital visitation, medical decisionmaking, or other health care issues that affect LGBT patients and their families; and

Whereas, patients in the State of Ohio would benefit from a similar memorandum being issued by Governor Ted Strickland; and

Whereas, patients in the State of Ohio would benefit from the Ohio General Assembly adopting a "Patients' Bill of Rights" similar to that of other states like North Carolina, to give each patient at every hospital in the State "the right to designate visitors who shall receive the same visitation privileges as the patient's immediate family members, regardless of whether the visitors are legally related to the patient"; and

Whereas, this resolution constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council supports President Obama's Memorandum for the Secretary of Health and Human Services on the subject of "Respecting the Rights of Hospital Patients to Receive Visitors and to Designate Surrogate Decision Makers for Medical Emergencies"; and urging Governor Strickland to issue a similar memorandum, and the Ohio General Assembly to adopt a Patients' Bill of Rights to give each patient the right to designate visitors who shall receive the same visitation privileges as the patient's immediate family members.

Section 2. That the Clerk of Council is hereby directed to transmit certified copies of this resolution to President Obama, Governor Ted Strickland, the 128th Ohio General Assembly, Equality Ohio, The Lesbian Gay Bisexual Transgender Community Center of Greater Cleveland, TransFamily, Cleveland Stonewall Democrats, and Mayor Jackson.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

By Council Member Cleveland.

An emergency resolution supporting the MidTown Cleveland, Inc.'s application to the State of Ohio Job Ready Sites Program for the Euclid Tech Center Project at 6700 Euclid Ave., Cleveland Ohio 44103.

Whereas, MidTown Cleveland, Inc. ("Applicant") and its partner LCA 6700 Euclid, LLC seek to pursue the Euclid Tech Center Project ("Project"); and

Whereas, this Project would result in the beneficial re-use of a vacant, under-utilized property located along the Euclid Corridor, where the City of Cleveland has made significant investment to encourage sustainable economic redevelopment; and

Whereas, the Connecting Cleveland 2020 Citywide Plan and the 2005 MidTown Master Plan identify the Project site as an economic development and new construction opportunity; and

Whereas, the Project would contribute directly to the Cleveland Health and Technology Corridor, endorsed by the City of Cleveland; and

Whereas, the Project would increase the City's real estate options for tech and biomedical firms desiring close proximity to institutional anchors such as Case Western Reserve University, University Hospitals, the Cleveland Clinic, Cleveland State University, Cuyahoga Community College and others; and

Whereas, the City of Cleveland seeks to encourage public-private partnerships with nonprofits such as MidTown Cleveland, Inc. and LCA 6700 Euclid, LLC to increase the availability of high-quality real estate development and facilities that meet the needs of companies in high-growth areas such as biomed; and

By Council Member Reed, Brancatelli, K. Johnson, Polensek, Mitchell, Cleveland, Cummins, Zone, Brady, Kelley, Miller, Pruitt, Dow, Westbrook, J. Johnson and Conwell.

An emergency resolution urging the United States Congress to pass H. B. 4812 and S. B. 3206 to provide

\$23 billion in funding to state and local government to avoid the potential layoffs of more than 300,000 education jobs nationwide, including over 500 teachers in the Cleveland Municipal School District.

Whereas, Senator Tom Harkin (D-IA), Chairman of the Health, Education, Labor and Pensions Committee and of the Senate Appropriations panel that funds education initiatives, introduced H. B. 4812 and S. B. 3206, the Keep Our Educators Working Act on April 14, 2010; and

Whereas, the bill will create a \$23 billion Education Jobs Fund to help keep teachers, principals, librarians and other school personnel on the job as states face crippling budget shortfalls; and

Whereas, the bill will help avoid a nationwide massive wave of layoffs in our schools and institutions of higher learning that could weaken our economic recovery and cause serious damage to our education system; and

Whereas, the Keep Our Educators Working Act will create an Education Jobs Fund modeled after the State Fiscal Stabilization Fund (SFSF) that was established in the American Recovery and Reinvestment Act (the 'Recovery Act'); and

Whereas, the SFSF is currently supporting more than 300,000 education jobs, such as teachers, principals, librarians, and counselors, and is widely credited with mitigating the impact of the recent recession; however, even with the SFSF, schools across the country have laid off workers, and the job outlook is worse for the 2010-2011 school year; and

Whereas, additional resources are needed to help states and districts avoid a "funding cliff" that would result in even more layoffs; and

Whereas, the \$23 billion included in the Keep Our Educators Working Act is roughly half of the amount dedicated to state aid in the SFSF, and is equal to the amount passed by the House in its December 2009 jobs legislation; and

Whereas, funding could be used for:

- compensation and benefits and other expenses necessary to retain existing employees, and for the hiring of new employees, in order to provide early childhood, elementary, secondary, or postsecondary educational and related services; or
- on-the-job training activities for education-related careers; and

Whereas, this Council believes that passage is necessary to avoid the potential layoffs of over 500 teachers in the Cleveland Municipal School District that would devastate the education of Cleveland's children; and

Whereas, this resolution constitutes an emergency measure providing for the usual daily operation of a municipal department; now, therefore,

Be it resolved by the Council of the City of Cleveland:

Section 1. That this Council urges the United States Congress to pass H. B. 4812 and S. B. 3206 to provide \$23 billion in funding to state and local government to avoid the potential layoffs of more than 300,000 education jobs nationwide, including over 500 teachers in the Cleveland Municipal School District.

Section 2. That the Clerk of Council is hereby directed to transmit certified copies of this resolution to the United States Congress, and Mayor Jackson.

Section 3. That this resolution is hereby declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its adoption and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Adopted April 26, 2010.

Effective April 29, 2010.

Ord. No. 457-10.

By Council Member Sweeney (by departmental request).

An emergency ordinance authorizing the issuance and sale of Bonds in the maximum principal amount of \$11,400,000 for the purpose of providing funds to improve facilities for the discharge of governmental functions or for services otherwise benefiting public safety, health and welfare and authorizing related matters.

Whereas, this Council desires to issue bonds in an aggregate principal amount not to exceed Eleven Million Four Hundred Thousand Dollars (\$11,400,000) (the "Series 2010 Bonds") to finance the costs of certain permanent improvements described in Section 1; and

Whereas, the Series 2010 Bonds shall be payable from and secured by income tax revenues of the City remaining after deposits required under the General Bond Ordinance (as defined in Section 2) are made to the escrow agent for the City's general obligation bonds; and

Whereas, the American Recovery and Reinvestment Act of 2009 amended the Internal Revenue Code of 1986, as amended (the "Code"), to authorize new types of obligations that may be issued on or before January 1, 2011 by states and political subdivisions that may provide lower cost of financing for public improvements, including taxable governmental bonds referred to as "Build America Bonds" and meeting the requirements of Section 54AA of the Code ("BABs"), of which one type is subsidized through federal tax credits to investors in the bonds ("Tax Credit BABs") and the other type is subsidized by a refundable credit paid to the issuer of the bonds equal to 35% of the amount of interest paid on the bonds ("Direct Payment BABs") and taxable governmental bonds referred to as Recovery Zone Economic Development Bonds and meeting the requirements of Section 1400U-2 of the Code subsidized by a refundable credit paid to the issuer of the bonds equal to 45% of the amount of the interest paid on the bonds ("RZED Bonds"); and

Whereas, the United States Department of the Treasury made an allocation to the City in the amount of \$16,590,000 for RZED Bonds, and this Council by Ordinance No. 1384-09, passed October 5, 2009 designated the entire geographical territory

of the City as a Recovery Zone under Section 1400U-1 of the Code; and

Whereas, the Series 2010 Bonds not issued as RZED Bonds may be issued in whole or in part as Tax Credit BABS or Direct Payment BABS or as obligations to which Section 103 of the Code applies, the interest on which is excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds"); and

Whereas, the Director of Finance, as fiscal officer of this City, has certified to this Council that the estimated life or usefulness of the improvements to be financed with the proceeds of the Series 2010 Bonds is at least five (5) years, as evidenced by the certificate contained in File No. 457-10-A; and

Whereas, the authorization for issuance of the Series 2010 Bonds is necessary to provide funds to pay the costs of certain permanent improvements described in Section 1 that are urgently needed for the benefit of the City, and as a result, this Ordinance constitutes an emergency measure providing for the immediate preservation of the public peace, property, health and safety, and for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. Purpose. It is deemed necessary to issue the Series 2010 Bonds in an aggregate principal amount not to exceed Eleven Million Four Hundred Thousand Dollars (\$11,400,000) for the purpose of providing funds to improve facilities for the discharge of governmental functions or for services otherwise benefitting the public safety, health and welfare, including constructing, reconstructing, rehabilitating, installing, renovating, enlarging and otherwise improving buildings, structures and other facilities in, of and for City Hall, police stations, fire stations, emergency medical centers, service stations, waste collection, transfer and disposal facilities, correctional facilities, health facilities, centers and other facilities, the provision of necessary fixtures, furnishings, equipment, information technology hardware and software, utilities, site improvements and appurtenances, and the acquisition of vehicles, and to pay any capitalized interest and all expenses incurred in connection with the issuance of the securities, including all financing costs within the meaning of Section 133.01(K) of the Revised Code and such other costs of the foregoing permanent improvements that may be financed with the proceeds of securities as permitted by Section 133.15(B) of the Ohio Revised Code and as otherwise permitted by law.

Section 2. Authority, Security and Source of Payment. The Series 2010 Bonds shall be issued pursuant to the Ohio Constitution, Chapter 133 of the Ohio Revised Code, the Charter of the City, and this Ordinance for the purpose stated in Section 1. The Series 2010 Bonds shall be payable from and secured by the income tax revenues of the City on a basis subordinate to the security given to the General Obligation Bonds of the City ("General Obligation Bonds")

under Ordinance No. 1749-80 passed by the Council on October 8, 1980, as amended by Ordinance No. 1112-83 passed by the Council on May 6, 1983, and Ordinance No. 944-96, passed by the Council on June 10, 1996 (Ordinance No. 1749-80, as so amended and as the same may further be amended from time to time in accordance with its provisions, is referred to as the "General Bond Ordinance"). The debt service on the Series 2010 Bonds shall be payable from income tax collections remaining after depositing with the escrow agent under the General Bond Ordinance the amount required for the payment of debt service on the City's General Obligation Bonds issued and outstanding, from time to time, under the General Bond Ordinance. The Series 2010 Bonds shall be issued and secured under the terms of the Trust Indenture dated as of April 1, 2008 (the "Indenture") between the City and U.S. Bank National Association, as trustee (the "Trustee"). The Indenture secures five series of Subordinate Lien Income Tax Bonds issued on May 1, 2008 (the "Series 2008 Bonds") and permits the issuance of additional bonds, subject to certain restrictions. The Series 2008 Bonds, the Series 2010 Bonds and any additional bonds issued under the Indenture are collectively referred to in this Ordinance as the "Bonds."

Section 3. Pledge and Covenant to Maintain Income Tax. So long as Bonds are outstanding under the Indenture, the City pledges the municipal income taxes of the City and grants a lien thereon, subordinate to the lien granted in the General Bond Ordinance as security for the General Obligation Bonds of the City issued and outstanding under the General Bond Ordinance, to the full extent required to meet debt charges payable on the Bonds issued and outstanding, from time to time, under the Indenture. The City covenants to appropriate annually sufficient amounts from the income taxes to pay all debt charges on the General Obligation Bonds, the Bonds outstanding under the Indenture, any Parity Obligations and the Unrestricted Income Tax Obligations (each as defined in the Indenture). The City further covenants that so long as any Bonds are outstanding under the Indenture, the City shall not repeal or amend, or suffer the repeal of, any ordinance for the levy or collection of its income taxes in any manner or to such extent that the City would not be able to meet its obligations to the holders of the Bonds.

Section 4. Terms of the Series 2010 Bonds. The Series 2010 Bonds shall be issued in fully registered form. The Series 2010 Bonds may be issued in one or more series or sub-series. The Series 2010 Bonds initially shall be delivered only in book-entry form, shall be registered in the name of the Depository (as defined in the Indenture) or its nominee, as registered owner, and immobilized in the custody of the Depository, and shall not be transferable or exchangeable (except for transfer to another Depository or its nominee) without further action by the City pursuant to the provisions of

the Indenture and the Second Supplement identified in Section 7. The Series 2010 Bonds shall be designated "Public Facilities Improvement Bonds, Series 2010" and may contain such further designation as provided in the Certificate of Award identified below. The Series 2010 Bonds shall be issued in one lot as fully registered Series 2010 Bonds in denominations of \$5,000 or any whole multiple thereof. The Series 2010 Bonds shall be numbered as determined by the Director of Finance. The Series 2010 Bonds shall be signed by the officials of the City and in the manner set forth in the Indenture.

The Series 2010 Bonds shall be dated as of May 15, 2010, or such other date specified in the certificate of award providing for the final terms of the Series 2010 Bonds and the sale of the Series 2010 Bonds in accordance with this Ordinance (the "Certificate of Award"). Notwithstanding and as an exception to Ordinance No. 1756-09, as may be amended, the respective principal amounts, if any, of the Series 2010 Bonds to be issued as Tax-Exempt Bonds, Direct Payment BABS, Tax Credit BABS and RZED Bonds shall be determined by the Director of Finance, based on the advice of a financial advisor, in the Certificate of Award, having due regard to the best interest of and financial advantages to the City; provided that the aggregate principal amount of Series 2010 Bonds issued as Tax-Exempt Bonds, Direct Payment BABS, Tax Credit BABS and RZED Bonds; shall not exceed the amount stated in Section 1. The Series 2010 Bonds shall bear interest from their date until the principal amount is paid at the rate or rates per year specified in the Certificate of Award, provided that the weighted average of such rates (taking into account the principal amount and maturity of each Bond to which a rate applies) shall not exceed six percent (6%) per year if issued as Tax-Exempt Bonds or eight percent (8%) per year if issued as BABS or RZED Bonds. Interest on the Series 2010 Bonds shall be payable semi-annually on April 1 and October 1, or such other dates specified in the Certificate of Award (the "Interest Payment Dates").

The Series 2010 Bonds shall mature in the years and principal amounts set forth in the Certificate of Award, provided that (i) each principal payment shall occur on an Interest Payment Date, and (ii) the final maturity date of the Series 2010 Bonds shall be no later than December 31, 2019. The Series 2010 Bonds stated to mature in any year may be issued as serial Series 2010 Bonds or as term Series 2010 Bonds payable prior to stated maturity pursuant to sinking fund redemption (the "Term Bonds"). The Director of Finance shall determine in the Certificate of Award whether any of the Series 2010 Bonds shall be issued as Term Bonds, any dates (the "Mandatory Redemption Dates") on which the principal amount of the Term Bonds shall be payable pursuant to mandatory sinking fund installments rather than at stated maturity and the amount of princi-

pal to be paid on each Mandatory Redemption Date (the "Mandatory Sinking Fund Redemption Requirements"). If any of the Series 2010 Bonds are issued as Term Series 2010 Bonds, the Term Bonds shall be redeemed pursuant to the Mandatory Sinking Fund Redemption Requirements at a redemption price of 100 percent of the principal amount redeemed, plus interest accrued to the redemption date, on the Mandatory Redemption Dates. The aggregate of the moneys to be deposited with the Trustee for payment of principal of and interest on any Term Bonds shall include amounts sufficient to redeem on the Mandatory Redemption Dates the principal amount of Term Bonds payable on those dates pursuant to the Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as provided in the Indenture and the Second Supplement).

The Series 2010 Bonds may be subject to redemption prior to maturity by and at the option of the City, in whole or in part on any date, in whole multiples of \$5,000, on the redemption dates and at the redemption prices specified in the Certificate of Award, plus, in each case, accrued interest to the redemption date. Based on the written advice of a financial advisor, the Director of Finance may determine in the Certificate of Award that it is in the best interests of the City (i) for some or all of the Series 2010 Bonds not to be callable prior to their stated maturity, and (ii) for a premium to be payable on the redemption of any Series 2010 Bonds calculated in a manner to make the bondholder whole for the loss of the investment or calculated as a percentage in excess of 100% of the principal amount redeemed.

If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond which is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised as provided in the Second Supplement.

If and to the extent provided in the Certificate of Award, the Series 2010 Bonds may be secured by a Debt Service Reserve Fund to be held by the Trustee under the Indenture. The principal amount of the Series 2010 Bonds may include provision for funding the Debt Service Reserve Fund from the proceeds of the Bonds, subject to compliance with applicable federal tax laws.

Section 5. Sale of Series 2010 Bonds. The Series 2010 Bonds shall first be offered for purchase to the Trustees of the Sinking Fund and, if not purchased by them, shall be offered to the Treasury Investment Account for purchase and, if not purchased for that Account, shall be sold to one or more firms that have proposed to underwrite the Series 2010 Bonds and have been selected by the Director of Finance based on an evaluation of the qualifications of those firms (collectively, the "Original Purchaser").

The Series 2010 Bonds shall be awarded to the Original Purchaser in the Certificate of Award which shall specify the final terms of the Series 2010 Bonds in accordance with law, the provisions of this Ordinance, the written advice of a financial advisor retained under authority of Section 12 and the Original Purchaser's offer to purchase the Series 2010 Bonds, including: the principal amount of the Series 2010 Bonds, the purchase price (which shall be not less than 97% of the principal amount plus accrued interest to their date of delivery), interest rate or rates, the amounts and years in which principal installments are payable (at stated maturity or pursuant to Mandatory Sinking Fund Redemption Requirements), terms and conditions under which any Series 2010 Bonds may be redeemed prior to maturity at the option of the City, the Interest Payment Dates and the date of the Series 2010 Bonds (if different from those set forth in Section 3) and any other matters required in this Ordinance to be set forth in that Certificate. As appropriate under the Charter, the Mayor, Director of Finance, Director of Law, Clerk of Council and other appropriate officers of the City are, and each of them is, authorized to take such actions as are necessary, appropriate and in the best interest of the City to establish the terms and requirements for delivery of the Series 2010 Bonds and to make such arrangements as are necessary with the Original Purchaser in order to establish the date, location, procedures, and conditions for the delivery of the Series 2010 Bonds to the Original Purchaser, to give all appropriate notices and certificates, to cause a true transcript of proceedings with reference to the issuance of the Series 2010 Bonds to be delivered to the Original Purchaser, to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance and to take all steps necessary to effect the due execution, authentication and delivery of the Series 2010 Bonds. The Director of Finance is authorized to sign and deliver on behalf of the City a bond purchase agreement between the City and the Original Purchaser (the "Bond Purchase Agreement"), approved as to form and correctness by the Director of Law, setting forth the terms and conditions on which the City agrees to sell the Series 2010 Bonds and the Original Purchaser agrees to buy the Series 2010 Bonds on terms consistent with this Ordinance and the Indenture, that are not substantially adverse to the City and that are approved by the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Purchase Agreement or amendments to the Bond Purchase Agreement by the Director of Finance. It is determined that the terms of the Series 2010 Bonds, as provided in this Ordinance and as may be provided in or pursuant to the Certificate of Award,

the Indenture and the Second Supplement, are in the best interest of the City and in compliance with all legal requirements.

Section 6. Application of Proceeds. The proceeds from the sale of the Series 2010 Bonds shall be applied as follows:

(a) to the payment of any providers of any Credit Support Instruments, the fees and expenses required to be paid by the City to obtain the Credit Support Instrument;

(b) to the Trustee, for deposit in the Interest Payment Account in the Debt Service Fund, the amount, if any, received by the City upon delivery of the Series 2010 Bonds as accrued interest from their dated date to the date of their delivery to the Original Purchaser;

(c) to the Trustee, for deposit in the Debt Service Reserve Fund, any amount identified in the Certificate of Award as required to be deposited in the Debt Service Reserve Fund; and

(d) to the Trustee for deposit in the Project Fund, the balance of the proceeds (including any original issue premium received from the sale of the Series 2010 Bonds).

Section 7. Supplemental Indenture. The Director of Finance is authorized to sign and deliver on behalf of the City a supplemental indenture (the "Second Supplement"), supplementing the Indenture to provide procedures for the authentication, registration and transfer of the Series 2010 Bonds, redemption of Series 2010 Bonds, payments under any Credit Support Instrument authorized by Section 11, application of the proceeds of the Series 2010 Bonds, defeasance of the Series 2010 Bonds, and other terms consistent with this Ordinance and the Certificate of Award and approved by the Director of Finance as not substantially adverse to the City. The Second Supplement shall be approved as to form and correctness by the Director of Law. The determination by the Director of Finance that the provisions of the Second Supplement are not substantially adverse to the City shall be conclusively evidenced by the Director's signing of the Second Supplement. As appropriate under the Charter, the Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other appropriate officers of the City are, and each of them is, authorized to sign, acknowledge and deliver, in the name and on behalf of the City, such documents, certifications and instruments in addition to the Indenture and Second Supplement as may be necessary or appropriate to issue and sell the Series 2010 Bonds and to consummate the transactions authorized by this Ordinance.

Section 8. Bond Anticipation Notes. For the purpose of raising money in anticipation of the issuance of the Series 2010 Bonds for the purpose set forth in Section 1, notes of the City may be issued in an aggregate principal amount not to exceed Eleven Million Four Hundred Thousand Dollars (\$11,400,000) (the "Notes") upon the direction of the Director of Finance to be set forth in a certificate providing for the

final terms of the Notes and the sale of the Notes and signed by the Director of Finance (the "Note Certificate of Award"). The Notes, if sold as fixed rate obligations, shall bear interest at such rate, not exceeding three percent (3%) per year, and shall be payable on the date or dates, as shall be determined by the Director of Finance of the City in the Note Certificate of Award; shall be dated their date of issuance; shall mature on the date set forth in the Note Certificate of Award; shall be subject to redemption by the City at any time prior to maturity without penalty, unless the Director of Finance, based on the advice of a financial advisor, determines that it is in the best interest of the City in order to enhance the marketability of the Notes, that the Notes not be redeemable prior to maturity or that a premium be paid on their prior redemption; shall be designated "Public Facilities Improvement Bond Anticipation Notes" or as otherwise provided in the Note Certificate of Award; shall be issued in such numbers and denominations as may be requested by the Note Purchaser (hereinafter defined); and shall be issued in fully registered form (which may be in a book entry only system). The provisions of Sections 9.98 to 9.983 of the Revised Code shall apply to the Notes and pursuant to that authority and this Ordinance, the Director of Finance may determine in the Certificate of Award, based on the written advice of a financial advisor, that the City's best interests will be served by causing all or a portion of the Notes to be obligations bearing interest at variable rates. If the Director of Finance so determines, then the Director of Finance shall specify in the Certificate of Award the method and procedure by which the variable rate of interest to be borne by the variable rate Notes shall be determined; provided that the variable rate Notes shall not bear interest at a rate in excess of twenty-five percent (25%) per year. The Director of Finance is authorized to enter into agreements in connection with the delivery of the variable rate Notes, and from time to time thereafter so long as the variable rate Notes are outstanding, with providers of Credit Support Instruments (as defined in Section 11) and others as may be determined by the Director of Finance, based on the written advice of a financial advisor, to be necessary or appropriate to provide for the method of determining the variable interest rates, permitting holders the right of tender, providing for liquidity or credit support for the payment of the variable rate Notes upon tender for purchase or redemption, and providing for the repayment by the City of any amounts drawn under the Credit Support Instrument. The Trustee shall be the authenticating agent, registrar, transfer agent and paying agent for the Notes. The Notes shall be signed by the officials of the City and in the manner set forth in the Indenture. The Notes shall first be offered for purchase to the Trustees of the Sinking Fund and, if not purchased

by them, shall be offered to the Treasury Investment Account for purchase and, if not purchased for that Account, shall be sold at not less than par and accrued interest to one or more firms that have proposed to underwrite the Notes and have been selected by the Director of Finance based on an evaluation of the qualifications of those firms (the "Note Purchaser") in the principal amount set forth in a certificate of award to be executed by the Director of Finance (the "Note Certificate of Award"). The proceeds of such sale shall be paid into the proper fund or funds set forth in the Note Certificate of Award and used for the purpose for which the Notes are being issued under the provisions of this Ordinance.

Section 9. Official Statement; Continuing Disclosure. If, in the judgment of the Director of Finance, a disclosure document (each, an "Official Statement") is appropriate or necessary in connection with the sale of the Notes or the Series 2010 Bonds, the Director of Finance is authorized to prepare or cause to be prepared on behalf of the City an Official Statement with respect to the Notes or the Series 2010 Bonds, as the case may be, and any necessary supplements and to authorize the use and distribution of each Official Statement and any supplements. The Director of Finance is authorized to sign on behalf of the City and in her official capacity each Official Statement and any supplements approved by her. The Director of Finance is authorized to sign and deliver on behalf of the City and in her official capacity such certificates in connection with the accuracy of each Official Statement and any supplements as may, in her judgment, be necessary or appropriate. The Director of Finance is also authorized to determine and certify on behalf of the City that such disclosure document is "deemed final" by the City within the meaning of Securities and Exchange Commission Rule 15c2-12 the "SEC Rule." The Director of Finance is authorized to contract for services for the production and distribution of preliminary and final Official Statements, including by printed and electronic means.

For the benefit of the holders and beneficial owners from time to time of the Notes or the Series 2010 Bonds, the City agrees, in accordance with, and as the only obligated person with respect to the Notes and the Series 2010 Bonds under the SEC Rule, to provide or cause to be provided such financial information and operating data and notices, in such manner as may be required for purposes of the SEC Rule. In order to describe and specify certain terms of the City's continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the Director of Finance is authorized and directed to prepare, or cause to be prepared, and to sign and deliver, in the name and on behalf of the City, a continuing disclosure agreement or certificate, which shall constitute the continuing disclosure agreement

made by the City for the benefit of the holders and beneficial owners of the Notes or the Series 2010 Bonds, as the case may be, in accordance with the SEC Rule. The performance of that agreement shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it. The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with its continuing disclosure agreement, including the timely provision of information and notices.

Section 10. Federal Tax Considerations. (a) Tax-Exempt Bonds. The representations and covenants in this subsection (a) apply only to Series 2010 Bonds or Notes of a series issued and sold as Tax-Exempt Bonds.

The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Tax-Exempt Bonds in such manner and to such extent as may be necessary so that (i) the Tax-Exempt Bonds will not (A) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (B) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (ii) the interest on the Tax-Exempt Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (i) it will take or cause to be taken such actions that may be required of it for the interest on the Tax-Exempt Bonds to be and remain excluded from gross income for federal income tax purposes, (ii) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of the Tax-Exempt Bonds to the governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

(b) BABs and RZED Bonds. The representations and covenants in this subsection (b) apply only to Series 2010 Bonds or Notes of a series issued and sold as BABs or RZED Bonds.

The City covenants that it will use, and will restrict the use and investment of, the proceeds of such Series 2010 Bonds or Notes in such manner and to such extent as may be necessary so that such Series 2010 Bonds or Notes will qualify as Tax Credit BABs or, Direct Payment BABs or RZED Bonds Bonds, as applicable, under the applicable provisions of the Code.

The City further covenants that (i) it will take or cause to be taken such actions that may be required of it for the Bonds to qualify and remain qualified as Tax Credit

BABs or Direct Payment BABs or RZED Bonds, as applicable, (ii) it will not take or authorize to be taken any actions that would adversely affect that tax status, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of such Series 2010 Bonds or Notes to the governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such tax status under the Code.

(c) **Further Actions.** The Director of Finance or any other officer of the City having responsibility for issuance of the Series 2010 Bonds and any Notes is hereby authorized (i) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Series 2010 Bonds and any Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, the election to issue all or any portion of the Series 2010 Bonds or any Notes as Tax Credit BABs or Direct Payment BABs or to issue all or any portion of the Series 2010 Bonds as RZED Bonds, as applicable, and any of the elections provided for in Section 54AA, 149(f)(4)(C), or 1400U-2 of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or tax status of the Series 2010 Bonds and any Notes or interest thereon or an entitlement to tax credits or direct cash payments relating thereto, or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing rebate amounts or payments or penalties or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (ii) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the intended tax status of the Series 2010 Bonds and any Notes or the City's entitlement to receive one or more direct payments, and (iii) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Series 2010 Bonds and any Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Series 2010 Bonds and any Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and direct payments or tax credits relating to the Series 2010 Bonds and any Notes and the tax status of the Series 2010 Bonds and any Notes.

Section 11. Credit Facilities and Ratings. If the Director of Finance determines it to be in the best interests of the City, based on the written advice of a financial advisor, the Director of Finance may obtain an insurance policy, letter of credit, standby bond purchase agreement or other credit enhancement instrument as further security for the payment when due of the principal of and interest on all or any portion of the Series 2010 Bonds or any Notes (a "Credit Support Instrument"). The Director of Finance may request a rating on the Series 2010 Bonds or Notes from one or more nationally recognized rating organizations, and do any and all things and take any and all actions required to secure a Credit Support Instrument and/or a rating or ratings on the Series 2010 Bonds or Notes. The Director of Finance may enter into one or more agreements for Credit Support Instruments containing terms not materially inconsistent with this Ordinance or the Indenture. The expenditure of the amounts necessary to secure Credit Support Instruments or obtain those ratings is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts from the proceeds of the Series 2010 Bonds or Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 12. Financial Advisor. The Director of Finance may obtain the services of one or more financial advisors, from time to time, to assist the Director of Finance in making any of the determinations required by this Ordinance to be determined by the Director of Finance. The Director of Finance may rely on the written advice of any financial advisor so retained. Any financial advisor employed under the authority of this Ordinance shall be disinterested in the transaction and be independent of the Original Purchasers and any other party interested in the transaction.

Section 13. Open Meeting Determination. It is found and determined that all formal actions of this Council and of any of its committees concerning and relating to the passage of this Ordinance were taken, and any of its committees and that all deliberations of this Council that resulted in these formal actions were held, in meetings open to the public in compliance with all legal requirements, including, without limitation, Section 121.22 of the Revised Code.

Section 14. Findings and Recitals of Validity. It is hereby determined, represented and recited that all acts, conditions and things necessary to be done precedent to and in the issuing of the Series 2010 Bonds and the Notes in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; and that no limitation of indebtedness or taxation, either statutory or constitutional, will have been exceeded in the issuance of the Series 2010 Bonds or the Notes. It is further found and determined, and is repre-

sented and recited, that the provisions of Sections 28, 29, 32, 33 (including the provisions of Section 33 with respect to readings on three separate days or dispensing with such readings by a two-thirds vote of all members of the Council), 36, 37, 48 and all other applicable provisions of the City's Charter and the rules of this Council have been fully complied with and this Ordinance was passed in conformity therewith.

Section 15. Delivery to County Auditor. The Director of Finance is directed to forward a certified copy of this Ordinance and of the Certificate of Award for the Series 2010 Bonds and any Note Certificate of Award to the County Auditor of Cuyahoga County and to secure a receipt therefore.

Section 16. Severability. Each section and each part of each section of this Ordinance is declared to be an independent section or part of a section and, notwithstanding any other evidence of legislative intent, it is declared to be the controlling legislative intent that if any such section or part of a section or any provision thereof, or the application thereof to any person or circumstance, is held to be invalid, the remaining sections or parts of sections and the application of such provisions to any other person or circumstance, other than those as to which it is held invalid, shall not be affected thereby, and it is declared to be the legislative intent that the other provisions of this Ordinance would have been passed independently of such section, or parts of a section, so held to be invalid.

Section 17. Legislative Intent. All terms, conditions, pledges, covenants or agreements on the part of the City provided for in this Ordinance are made by the voluntary act of the City under its lawful authority, including its authority under its Charter and Article XVIII of the Constitution of Ohio. Any provisions of the Codified Ordinances of the City which are inconsistent with the provisions of this Ordinance shall not apply to the Series 2010 Bonds or the Notes authorized herein.

Nothing in this Ordinance is intended to, and no provision hereof shall be applied in any manner as would, impair the obligation of contract of the City with respect to any outstanding Series 2010 Bonds, notes, certificates of indebtedness, other obligations, trust indentures, trust agreements, or other agreements or contracts made or entered into by the City and for which consideration was duly received by the City prior to the passage of this Ordinance.

Section 18. Emergency Measure. This Ordinance is declared to be an emergency measure for the immediate preservation of the public peace, property, health and safety of the City by providing funds to pay the costs of certain permanent improvements which are urgently needed for the benefit of the City and for the usual daily operation of a municipal department, and, provided this Ordinance receives the affirmative vote of two-thirds of all members elected to Council, it shall take effect and be in force immediately upon its passage and approval by

the Mayor; otherwise it shall take effect and be in force from and after the earliest date allowed by law.

Passed April 26, 2010.

Effective April 29, 2010.

Ord. No. 458-10.

By Council Member Sweeney (by departmental request).

An emergency ordinance authorizing the issuance and sale of bonds in the maximum principal amount of \$8,900,000 for the purpose of providing funds to improve municipal parks and recreation facilities and authorizing related matters.

Whereas, this Council desires to issue bonds in an aggregate principal amount not to exceed Eight Million Nine Hundred Thousand Dollars (\$8,900,000) (the "Series 2010 Bonds") to finance the costs of certain permanent improvements described in Section 1; and

Whereas, the Series 2010 Bonds shall be payable from and secured by income tax revenues of the City remaining after deposits required under the General Bond Ordinance (as defined in Section 2) are made to the escrow agent for the City's general obligation bonds; and

Whereas, the American Recovery and Reinvestment Act of 2009 amended the Internal Revenue Code of 1986, as amended (the "Code"), to authorize new types of obligations that may be issued on or before January 1, 2011 by states and political subdivisions that may provide lower cost of financing for public improvements, including taxable governmental bonds referred to as "Build America Bonds" and meeting the requirements of Section 54AA of the Code ("BABs"), of which one type is subsidized through federal tax credits to investors in the bonds ("Tax Credit BABs") and the other type is subsidized by a refundable credit paid to the issuer of the bonds equal to 35% of the amount of interest paid on the bonds ("Direct Payment BABs") and taxable governmental bonds referred to as Recovery Zone Economic Development Bonds and meeting the requirements of Section 1400U-2 of the Code subsidized by a refundable credit paid to the issuer of the bonds equal to 45% of the amount of the interest paid on the bonds ("RZED Bonds"); and

Whereas, the United States Department of the Treasury made an allocation to the City in the amount of \$16,590,000 for RZED Bonds, and this Council by Ordinance No. 1384-09, passed October 5, 2009 designated the entire geographical territory of the City as a Recovery Zone under Section 1400U-1 of the Code; and

Whereas, the Series 2010 Bonds not issued as RZED Bonds may be issued in whole or in part as Tax Credit BABs or Direct Payment BABs or as obligations to which Section 103 of the Code applies, the interest on which is excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds"); and

Whereas, the Director of Finance, as fiscal officer of this City, has certified to this Council that the estimated life or usefulness of the improvements to be financed with

the proceeds of the Series 2010 Bonds is at least five (5) years, as evidenced by the certificate contained in File No. 458-10-A; and

Whereas, the authorization for issuance of the Series 2010 Bonds is necessary to provide funds to pay the costs of certain permanent improvements described in Section 1 that are urgently needed for the benefit of the City, and as a result, this Ordinance constitutes an emergency measure providing for the immediate preservation of the public peace, property, health and safety, and for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. Purpose. It is deemed necessary to issue the Series 2010 Bonds in an aggregate principal amount not to exceed Eight Million Nine Hundred Thousand Dollars (\$8,900,000) for the purpose of providing funds to improve municipal parks and recreation facilities by constructing, reconstructing, rehabilitating, installing, renovating, enlarging and otherwise improving parks, multi-purpose community buildings, recreation centers and areas, pools, spray pads with interactive water toys, skating rinks, greenhouses, stages, bicycle paths, multi-purpose trails, playgrounds, play fields and courts, concourse areas, stands, tracks, fields, dog parks, public artwork, fountains, fitness stations and related buildings, structures, walkways, pavement and facilities, and providing necessary water systems, bio-filtration areas, drainage, lighting, signage, fixtures, furnishings, landscaping, equipment, safety modifications and site improvements, together with all necessary and incidental appurtenances and the acquisition of any required real estate and interests in real estate and the demolition of any existing buildings, structures, walkways and facilities, and to pay any capitalized interest and all expenses incurred in connection with the issuance of the securities, including all financing costs within the meaning of Section 133.01(K) of the Revised Code and such other costs of the foregoing permanent improvements that may be financed with the proceeds of securities as permitted by Section 133.15(B) of the Ohio Revised Code and as otherwise permitted by law.

Section 2. Authority, Security and Source of Payment. The Series 2010 Bonds shall be issued pursuant to the Ohio Constitution, Chapter 133 of the Ohio Revised Code, the Charter of the City, and this Ordinance for the purpose stated in Section 1. The Series 2010 Bonds shall be payable from and secured by the income tax revenues of the City on a basis subordinate to the security given to the General Obligation Bonds of the City ("General Obligation Bonds") under Ordinance No. 1749-80 passed by the Council on October 8, 1980, as amended by Ordinance No. 1112-83 passed by the Council on May 6, 1983, and Ordinance No. 944-96, passed by the Council on June 10, 1996 (Ordinance No. 1749-80, as so amended and as the same may further be amended from time to time in accordance with its provisions, is

referred to as the "General Bond Ordinance"). The debt service on the Series 2010 Bonds shall be payable from income tax collections remaining after depositing with the escrow agent under the General Bond Ordinance the amount required for the payment of debt service on the City's General Obligation Bonds issued and outstanding, from time to time, under the General Bond Ordinance. The Series 2010 Bonds shall be issued and secured under the terms of the Trust Indenture dated as of April 1, 2008 (the "Indenture") between the City and U.S. Bank National Association, as trustee (the "Trustee"). The Indenture secures five series of Subordinate Lien Income Tax Bonds issued on May 1, 2008 (the "Series 2008 Bonds") and permits the issuance of additional bonds, subject to certain restrictions. The Series 2008 Bonds, the Series 2010 Bonds and any additional bonds issued under the Indenture are collectively referred to in this Ordinance as the "Bonds."

Section 3. Pledge and Covenant to Maintain Income Tax. So long as Bonds are outstanding under the Indenture, the City pledges the municipal income taxes of the City and grants a lien thereon, subordinate to the lien granted in the General Bond Ordinance as security for the General Obligation Bonds of the City issued and outstanding under the General Bond Ordinance, to the full extent required to meet debt charges payable on the Bonds issued and outstanding, from time to time, under the Indenture. The City covenants to appropriate annually sufficient amounts from the income taxes to pay all debt charges on the General Obligation Bonds, the Bonds outstanding under the Indenture, any Parity Obligations and the Unrestricted Income Tax Obligations (each as defined in the Indenture). The City further covenants that so long as any Bonds are outstanding under the Indenture, the City shall not repeal or amend, or suffer the repeal of, any ordinance for the levy or collection of its income taxes in any manner or to such extent that the City would not be able to meet its obligations to the holders of the Bonds.

Section 4. Terms of the Series 2010 Bonds. The Series 2010 Bonds shall be issued in fully registered form. The Series 2010 Bonds may be issued in one or more series or sub-series. The Series 2010 Bonds initially shall be delivered only in book-entry form, shall be registered in the name of the Depository (as defined in the Indenture) or its nominee, as registered owner, and immobilized in the custody of the Depository, and shall not be transferable or exchangeable (except for transfer to another Depository or its nominee) without further action by the City pursuant to the provisions of the Indenture and the Second Supplement identified in Section 7. The Series 2010 Bonds shall be designated "Parks and Recreation Facilities Improvement Bonds, Series 2010" and may contain such further designation as provided in the Certificate of Award identified below. The Series 2010 Bonds shall be issued in one lot as fully registered Series

2010 Bonds in denominations of \$5,000 or any whole multiple thereof. The Series 2010 Bonds shall be numbered as determined by the Director of Finance. The Series 2010 Bonds shall be signed by the officials of the City and in the manner set forth in the Indenture.

The Series 2010 Bonds shall be dated as of May 15, 2010, or such other date specified in the certificate of award providing for the final terms of the Series 2010 Bonds and the sale of the Series 2010 Bonds in accordance with this Ordinance (the "Certificate of Award"). Notwithstanding and as an exception to Ordinance No. 1756-09, as may be amended, the respective principal amounts, if any, of the Series 2010 Bonds to be issued as Tax-Exempt Bonds, Direct Payment BABs, Tax Credit BABs and RZED Bonds shall be determined by the Director of Finance, based on the advice of a financial advisor, in the Certificate of Award, having due regard to the best interest of and financial advantages to the City; provided that the aggregate principal amount of Series 2010 Bonds issued as Tax-Exempt Bonds, Direct Payment BABs, Tax Credit BABs and RZED Bonds shall not exceed the amount stated in Section 1. The Series 2010 Bonds shall bear interest from their date until the principal amount is paid at the rate or rates per year specified in the Certificate of Award, provided that the weighted average of such rates (taking into account the principal amount and maturity of each Bond to which a rate applies) shall not exceed six percent (6%) per year if issued as Tax-Exempt Bonds or eight percent (8%) per year if issued as BABs or RZED Bonds. Interest on the Series 2010 Bonds shall be payable semi-annually on April 1 and October 1, or such other dates specified in the Certificate of Award (the "Interest Payment Dates").

The Series 2010 Bonds shall mature in the years and principal amounts set forth in the Certificate of Award, provided that (i) each principal payment shall occur on an Interest Payment Date, and (ii) the final maturity date of the Series 2010 Bonds shall be no later than December 31, 2031. The Series 2010 Bonds stated to mature in any year may be issued as serial Series 2010 Bonds or as term Series 2010 Bonds payable prior to stated maturity pursuant to sinking fund redemption (the "Term Bonds"). The Director of Finance shall determine in the Certificate of Award whether any of the Series 2010 Bonds shall be issued as Term Bonds, any dates (the "Mandatory Redemption Dates") on which the principal amount of the Term Bonds shall be payable pursuant to mandatory sinking fund installments rather than at stated maturity and the amount of principal to be paid on each Mandatory Redemption Date (the "Mandatory Sinking Fund Redemption Requirements"). If any of the Series 2010 Bonds are issued as Term Series 2010 Bonds, the Term Bonds shall be redeemed pursuant to the Mandatory Sinking Fund Redemption Requirements at a redemption price of 100 percent of the principal amount

redeemed, plus interest accrued to the redemption date, on the Mandatory Redemption Dates. The aggregate of the moneys to be deposited with the Trustee for payment of principal of and interest on any Term Bonds shall include amounts sufficient to redeem on the Mandatory Redemption Dates the principal amount of Term Bonds payable on those dates pursuant to the Mandatory Sinking Fund Redemption Requirements (less the amount of any credits as provided in the Indenture and the Second Supplement).

The Series 2010 Bonds may be subject to redemption prior to maturity by and at the option of the City, in whole or in part on any date, in whole multiples of \$5,000, on the redemption dates and at the redemption prices specified in the Certificate of Award, plus, in each case, accrued interest to the redemption date. Based on the written advice of a financial advisor, the Director of Finance may determine in the Certificate of Award that it is in the best interests of the City (i) for some or all of the Series 2010 Bonds not to be callable prior to their stated maturity, and (ii) for a premium to be payable on the redemption of any Series 2010 Bonds calculated in a manner to make the bondholder whole for the loss of the investment or calculated as a percentage in excess of 100% of the principal amount redeemed.

If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond which is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised as provided in the Second Supplement.

If and to the extent provided in the Certificate of Award, the Series 2010 Bonds may be secured by a Debt Service Reserve Fund to be held by the Trustee under the Indenture. The principal amount of the Series 2010 Bonds may include provision for funding the Debt Service Reserve Fund from the proceeds of the Bonds, subject to compliance with applicable federal tax laws.

Section 5. Sale of Series 2010 Bonds. The Series 2010 Bonds shall first be offered for purchase to the Trustees of the Sinking Fund and, if not purchased by them, shall be offered to the Treasury Investment Account for purchase and, if not purchased for that Account, shall be sold to one or more firms that have proposed to underwrite the Series 2010 Bonds and have been selected by the Director of Finance based on an evaluation of the qualifications of those firms (collectively, the "Original Purchaser").

The Series 2010 Bonds shall be awarded to the Original Purchaser in the Certificate of Award which shall specify the final terms of the Series 2010 Bonds in accordance with law, the provisions of this Ordinance, the written advice of a financial advisor retained under authority of Section 12 and the Original Purchaser's offer to purchase the Series 2010 Bonds, including: the

principal amount of the Series 2010 Bonds, the purchase price (which shall be not less than 97% of the principal amount plus accrued interest to their date of delivery), interest rate or rates, the amounts and years in which principal installments are payable (at stated maturity or pursuant to Mandatory Sinking Fund Redemption Requirements), terms and conditions under which any Series 2010 Bonds may be redeemed prior to maturity at the option of the City, the Interest Payment Dates and the date of the Series 2010 Bonds (if different from those set forth in Section 3) and any other matters required in this Ordinance to be set forth in that Certificate. As appropriate under the Charter, the Mayor, Director of Finance, Director of Law, Clerk of Council and other appropriate officers of the City are, and each of them is, authorized to take such actions as are necessary, appropriate and in the best interest of the City to establish the terms and requirements for delivery of the Series 2010 Bonds and to make such arrangements as are necessary with the Original Purchaser in order to establish the date, location, procedures, and conditions for the delivery of the Series 2010 Bonds to the Original Purchaser, to give all appropriate notices and certificates, to cause a true transcript of proceedings with reference to the issuance of the Series 2010 Bonds to be delivered to the Original Purchaser, to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance and to take all steps necessary to effect the due execution, authentication and delivery of the Series 2010 Bonds. The Director of Finance is authorized to sign and deliver on behalf of the City a bond purchase agreement between the City and the Original Purchaser (the "Bond Purchase Agreement"), approved as to form and correctness by the Director of Law, setting forth the terms and conditions on which the City agrees to sell the Series 2010 Bonds and the Original Purchaser agrees to buy the Series 2010 Bonds on terms consistent with this Ordinance and the Indenture, that are not substantially adverse to the City and that are approved by the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Purchase Agreement or amendments to the Bond Purchase Agreement by the Director of Finance. It is determined that the terms of the Series 2010 Bonds, as provided in this Ordinance and as may be provided in or pursuant to the Certificate of Award, the Indenture and the Second Supplement, are in the best interest of the City and in compliance with all legal requirements.

Section 6. Application of Proceeds. The proceeds from the sale of the Series 2010 Bonds shall be applied as follows:

(a) to the payment of any providers of any Credit Support Instru-

ments, the fees and expenses required to be paid by the City to obtain the Credit Support Instrument;

(b) to the Trustee, for deposit in the Interest Payment Account in the Debt Service Fund, the amount, if any, received by the City upon delivery of the Series 2010 Bonds as accrued interest from their dated date to the date of their delivery to the Original Purchaser;

(c) to the Trustee, for deposit in the Debt Service Reserve Fund, any amount identified in the Certificate of Award as required to be deposited in the Debt Service Reserve Fund; and

(d) to the Trustee for deposit in the Project Fund, the balance of the proceeds (including any original issue premium received from the sale of the Series 2010 Bonds).

Section 7. Supplemental Indenture. The Director of Finance is authorized to sign and deliver on behalf of the City a supplemental indenture (the "Second Supplement"), supplementing the Indenture to provide procedures for the authentication, registration and transfer of the Series 2010 Bonds, redemption of Series 2010 Bonds, payments under any Credit Support Instrument authorized by Section 11, application of the proceeds of the Series 2010 Bonds, defeasance of the Series 2010 Bonds, and other terms consistent with this Ordinance and the Certificate of Award and approved by the Director of Finance as not substantially adverse to the City. The Second Supplement shall be approved as to form and correctness by the Director of Law. The determination by the Director of Finance that the provisions of the Second Supplement are not substantially adverse to the City shall be conclusively evidenced by the Director's signing of the Second Supplement. As appropriate under the Charter, the Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other appropriate officers of the City are, and each of them is, authorized to sign, acknowledge and deliver, in the name and on behalf of the City, such documents, certifications and instruments in addition to the Indenture and Second Supplement as may be necessary or appropriate to issue and sell the Series 2010 Bonds and to consummate the transactions authorized by this Ordinance.

Section 8. Bond Anticipation Notes. For the purpose of raising money in anticipation of the issuance of the Series 2010 Bonds for the purpose set forth in Section 1, notes of the City may be issued in an aggregate principal amount not to exceed Eight Million Nine Hundred Thousand Dollars (\$8,900,000) (the "Notes") upon the direction of the Director of Finance to be set forth in a certificate providing for the final terms of the Notes and the sale of the Notes and signed by the Director of Finance (the "Note Certificate of Award"). The Notes, if sold as fixed rate obligations, shall bear interest at such rate, not exceeding three percent (3%) per year, and shall be payable on the date or dates, as shall be determined by the Director of Finance of the City in the Note Certificate of

Award; shall be dated their date of issuance; shall mature on the date set forth in the Note Certificate of Award; shall be subject to redemption by the City at any time prior to maturity without penalty, unless the Director of Finance, based on the advice of a financial advisor, determines that it is in the best interest of the City in order to enhance the marketability of the Notes, that the Notes not be redeemable prior to maturity or that a premium be paid on their prior redemption; shall be designated "Parks and Recreation Facilities Improvement Bond Anticipation Notes" or as otherwise provided in the Note Certificate of Award; shall be issued in such numbers and denominations as may be requested by the Note Purchaser (hereinafter defined); and shall be issued in fully registered form (which may be in a book entry only system). The provisions of Sections 9.98 to 9.983 of the Revised Code shall apply to the Notes and pursuant to that authority and this Ordinance, the Director of Finance may determine in the Certificate of Award, based on the written advice of a financial advisor, that the City's best interests will be served by causing all or a portion of the Notes to be obligations bearing interest at variable rates. If the Director of Finance so determines, then the Director of Finance shall specify in the Certificate of Award the method and procedure by which the variable rate of interest to be borne by the variable rate Notes shall be determined; provided that the variable rate Notes shall not bear interest at a rate in excess of twenty-five percent (25%) per year. The Director of Finance is authorized to enter into agreements in connection with the delivery of the variable rate Notes, and from time to time thereafter so long as the variable rate Notes are outstanding, with providers of Credit Support Instruments (as defined in Section 11) and others as may be determined by the Director of Finance, based on the written advice of a financial advisor, to be necessary or appropriate to provide for the method of determining the variable interest rates, permitting holders the right of tender, providing for liquidity or credit support for the payment of the variable rate Notes upon tender for purchase or redemption, and providing for the repayment by the City of any amounts drawn under the Credit Support Instrument. The Trustee shall be the authenticating agent, registrar, transfer agent and paying agent for the Notes. The Notes shall be signed by the officials of the City and in the manner set forth in the Indenture. The Notes shall first be offered for purchase to the Trustees of the Sinking Fund and, if not purchased by them, shall be offered to the Treasury Investment Account for purchase and, if not purchased for that Account, shall be sold at not less than par and accrued interest to one or more firms that have proposed to underwrite the Notes and have been selected by the Director of Finance based on an evaluation of the qualifications of those firms (the "Note Purchaser") in the prin-

cipal amount set forth in a certificate of award to be executed by the Director of Finance (the "Note Certificate of Award"). The proceeds of such sale shall be paid into the proper fund or funds set forth in the Note Certificate of Award and used for the purpose for which the Notes are being issued under the provisions of this Ordinance.

Section 9. Official Statement; Continuing Disclosure. If, in the judgment of the Director of Finance, a disclosure document (each, an "Official Statement") is appropriate or necessary in connection with the sale of the Notes or the Series 2010 Bonds, the Director of Finance is authorized to prepare or cause to be prepared on behalf of the City an Official Statement with respect to the Notes or the Series 2010 Bonds, as the case may be, and any necessary supplements and to authorize the use and distribution of each Official Statement and any supplements. The Director of Finance is authorized to sign on behalf of the City and in her official capacity each Official Statement and any supplements approved by her. The Director of Finance is authorized to sign and deliver on behalf of the City and in her official capacity such certificates in connection with the accuracy of each Official Statement and any supplements as may, in her judgment, be necessary or appropriate. The Director of Finance is also authorized to determine and certify on behalf of the City that such disclosure document is "deemed final" by the City within the meaning of Securities and Exchange Commission Rule 15c2-12 the "SEC Rule." The Director of Finance is authorized to contract for services for the production and distribution of preliminary and final Official Statements, including by printed and electronic means.

For the benefit of the holders and beneficial owners from time to time of the Notes or the Series 2010 Bonds, the City agrees, in accordance with, and as the only obligated person with respect to the Notes and the Series 2010 Bonds under the SEC Rule, to provide or cause to be provided such financial information and operating data and notices, in such manner as may be required for purposes of the SEC Rule. In order to describe and specify certain terms of the City's continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the Director of Finance is authorized and directed to prepare, or cause to be prepared, and to sign and deliver, in the name and on behalf of the City, a continuing disclosure agreement or certificate, which shall constitute the continuing disclosure agreement made by the City for the benefit of the holders and beneficial owners of the Notes or the Series 2010 Bonds, as the case may be, in accordance with the SEC Rule. The performance of that agreement shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it. The Director of Finance is further authorized to

establish procedures in order to ensure compliance by the City with its continuing disclosure agreement, including the timely provision of information and notices.

Section 10. Federal Tax Considerations. (a) Tax-Exempt Bonds. The representations and covenants in this subsection (a) apply only to Series 2010 Bonds or Notes of a series issued and sold as Tax-Exempt Bonds.

The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Tax-Exempt Bonds in such manner and to such extent as may be necessary so that (i) the Tax-Exempt Bonds will not (A) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (B) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (ii) the interest on the Tax-Exempt Bonds will not be an item of tax preference under Section 57 of the Code. The City further covenants that (i) it will take or cause to be taken such actions that may be required of it for the interest on the Tax-Exempt Bonds to be and remain excluded from gross income for federal income tax purposes, (ii) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of the Tax-Exempt Bonds to the governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

(b) BABs and RZED Bonds. The representations and covenants in this subsection (b) apply only to Series 2010 Bonds or Notes of a series issued and sold as BABs or RZED Bonds.

The City covenants that it will use, and will restrict the use and investment of, the proceeds of such Series 2010 Bonds or Notes in such manner and to such extent as may be necessary so that such Series 2010 Bonds or Notes will qualify as Tax Credit BABs or Direct Payment BABs or RZED Bonds, as applicable, under the applicable provisions of the Code.

The City further covenants that (i) it will take or cause to be taken such actions that may be required of it for the Bonds to qualify and remain qualified as Tax Credit BABs or Direct Payment BABs or RZED Bonds, as applicable, (ii) it will not take or authorize to be taken any actions that would adversely affect that tax status, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of such Series 2010 Bonds or Notes to the governmental purpose of the borrowing, (B) restrict the yield on investment

property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such tax status under the Code.

(c) Further Actions. The Director of Finance or any other officer of the City having responsibility for issuance of the Series 2010 Bonds and any Notes is hereby authorized (i) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Series 2010 Bonds and any Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, the election to issue all or any portion of the Series 2010 Bonds or any Notes as Tax Credit BABs or Direct Payment BABs or to issue all or any portion of the Series 2010 Bonds as RZED Bonds as applicable, and any of the elections provided for in Section 54AA, 149(f)(4)(C), or 1400U-2 of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or tax status of the Series 2010 Bonds and any Notes or interest thereon or an entitlement to tax credits or direct cash payments relating thereto, or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing rebate amounts or payments or penalties or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (ii) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the intended tax status of the Series 2010 Bonds and any Notes or the City's entitlement to receive one or more direct payments, and (iii) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Series 2010 Bonds and any Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Series 2010 Bonds and any Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and direct payments or tax credits relating to the Series 2010 Bonds and any Notes and the tax status of the Series 2010 Bonds and any Notes.

Section 11. Credit Facilities and Ratings. If the Director of Finance determines it to be in the best interests of the City, based on the written advice of a financial advisor, the Director of Finance may obtain an insurance policy, letter of credit, standby bond purchase agreement or other credit enhancement instrument as further security for the pay-

ment when due of the principal of and interest on all or any portion of the Series 2010 Bonds or any Notes (a "Credit Support Instrument"). The Director of Finance may request a rating on the Series 2010 Bonds or Notes from one or more nationally recognized rating organizations, and do any and all things and take any and all actions required to secure a Credit Support Instrument and/or a rating or ratings on the Series 2010 Bonds or Notes. The Director of Finance may enter into one or more agreements for Credit Support Instruments containing terms not materially inconsistent with this Ordinance or the Indenture. The expenditure of the amounts necessary to secure Credit Support Instruments or obtain those ratings is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts from the proceeds of the Series 2010 Bonds or Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 12. Financial Advisor. The Director of Finance may obtain the services of one or more financial advisors, from time to time, to assist the Director of Finance in making any of the determinations required by this Ordinance to be determined by the Director of Finance. The Director of Finance may rely on the written advice of any financial advisor so retained. Any financial advisor employed under the authority of this Ordinance shall be disinterested in the transaction and be independent of the Original Purchasers and any other party interested in the transaction.

Section 13. Open Meeting Determination. It is found and determined that all formal actions of this Council and of any of its committees concerning and relating to the passage of this Ordinance were taken, and any of its committees and that all deliberations of this Council that resulted in these formal actions were held, in meetings open to the public in compliance with all legal requirements, including, without limitation, Section 121.22 of the Revised Code.

Section 14. Findings and Recitals of Validity. It is hereby determined, represented and recited that all acts, conditions and things necessary to be done precedent to and in the issuing of the Series 2010 Bonds and the Notes in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; and that no limitation of indebtedness or taxation, either statutory or constitutional, will have been exceeded in the issuance of the Series 2010 Bonds or the Notes. It is further found and determined, and is represented and recited, that the provisions of Sections 28, 29, 32, 33 (including the provisions of Section 33 with respect to readings on three separate days or dispensing with such readings by a two-thirds vote of all members of the Council), 36, 37, 48 and all other applicable provisions of the City's Charter and the rules

of this Council have been fully complied with and this Ordinance was passed in conformity therewith.

Section 15. Delivery to County Auditor. The Director of Finance is directed to forward a certified copy of this Ordinance and of the Certificate of Award for the Series 2010 Bonds and any Note Certificate of Award to the County Auditor of Cuyahoga County and to secure a receipt therefore.

Section 16. Severability. Each section and each part of each section of this Ordinance is declared to be an independent section or part of a section and, notwithstanding any other evidence of legislative intent, it is declared to be the controlling legislative intent that if any such section or part of a section or any provision thereof, or the application thereof to any person or circumstance, is held to be invalid, the remaining sections or parts of sections and the application of such provisions to any other person or circumstance, other than those as to which it is held invalid, shall not be affected thereby, and it is declared to be the legislative intent that the other provisions of this Ordinance would have been passed independently of such section, or parts of a section, so held to be invalid.

Section 17. Legislative Intent. All terms, conditions, pledges, covenants or agreements on the part of the City provided for in this Ordinance are made by the voluntary act of the City under its lawful authority, including its authority under its Charter and Article XVIII of the Constitution of Ohio. Any provisions of the Codified Ordinances of the City which are inconsistent with the provisions of this Ordinance shall not apply to the Series 2010 Bonds or the Notes authorized herein.

Nothing in this Ordinance is intended to, and no provision hereof shall be applied in any manner as would, impair the obligation of contract of the City with respect to any outstanding Series 2010 Bonds, notes, certificates of indebtedness, other obligations, trust indentures, trust agreements, or other agreements or contracts made or entered into by the City and for which consideration was duly received by the City prior to the passage of this Ordinance.

Section 18. Emergency Measure. This Ordinance is declared to be an emergency measure for the immediate preservation of the public peace, property, health and safety of the City by providing funds to pay the costs of certain permanent improvements which are urgently needed for the benefit of the City and for the usual daily operation of a municipal department, and, provided this Ordinance receives the affirmative vote of two-thirds of all members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest date allowed by law.

Passed April 26, 2010.
Effective April 29, 2010.

Ord. No. 459-10.
By Council Member Sweeney (by departmental request).

An emergency ordinance authorizing the issuance and sale of Bonds in the maximum principal amount of \$8,700,000 for the purpose of providing funds for bridges and roadway improvements and authorizing related matters.

Whereas, this Council desires to issue bonds in an aggregate principal amount not to exceed Eight Million Seven Hundred Thousand Dollars (\$8,700,000) (the "Series 2010 Bonds") to finance the costs of certain permanent improvements described in Section 1; and

Whereas, the Series 2010 Bonds shall be payable from and secured by income tax revenues of the City remaining after deposits required under the General Bond Ordinance (as defined in Section 2) are made to the escrow agent for the City's general obligation bonds; and

Whereas, the American Recovery and Reinvestment Act of 2009 amended the Internal Revenue Code of 1986, as amended (the "Code"), to authorize new types of obligations that may be issued on or before January 1, 2011 by states and political subdivisions that may provide lower cost of financing for public improvements, including taxable governmental bonds referred to as "Build America Bonds" and meeting the requirements of Section 54AA of the Code ("BABs"), of which one type is subsidized through federal tax credits to investors in the bonds ("Tax Credit BABs") and the other type is subsidized by a refundable credit paid to the issuer of the bonds equal to 35% of the amount of interest paid on the bonds ("Direct Payment BABs") and taxable governmental bonds referred to as Recovery Zone Economic Development Bonds and meeting the requirements of Section 1400U-2 of the Code subsidized by a refundable credit paid to the issuer of the bonds equal to 45% of the amount of the interest paid on the bonds ("RZED Bonds"); and

Whereas, the United States Department of the Treasury made an allocation to the City in the amount of \$16,590,000 for RZED Bonds, and this Council by Ordinance No. 1384-09 passed October 5, 2009 designated the entire geographical territory of the City as a Recovery Zone under Section 1400U-1 of the Code; and

Whereas, the Series 2010 Bonds not issued as RZED Bonds may be issued in whole or in part as Tax Credit BABs or Direct Payment BABs or as obligations to which Section 103 of the Code applies, the interest on which is excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds"); and

Whereas, the Director of Finance, as fiscal officer of this City, has certified to this Council that the estimated life or usefulness of the improvements to be financed with the proceeds of the Series 2010 Bonds is at least five (5) years, as evidenced by the certificate contained in File No. 459-10-A; and

Whereas, the authorization for issuance of the Series 2010 Bonds is necessary to provide funds to pay the costs of certain permanent im-

provements described in Section 1 that are urgently needed for the benefit of the City, and as a result, this Ordinance constitutes an emergency measure providing for the immediate preservation of the public peace, property, health and safety, and for the usual daily operation of a municipal department; now, therefore,

Be it ordained by the Council of the City of Cleveland:

Section 1. Purpose. It is deemed necessary to issue the Series 2010 Bonds in an aggregate principal amount not to exceed Eight Million Seven Hundred Thousand Dollars (\$8,700,000) for the purpose of providing funds to improve the municipal street system and related facilities, including streets, expressways, roadways, driveways, retaining walls, underground vaults, sidewalks and pedestrian walkways, by acquiring, constructing, reconstructing, opening, extending, widening, grading, draining, paving, resurfacing, lighting and curbing, removing or reconstructing underground vaults to preserve the public right of way; installing gutters, sidewalks and related pedestrian improvements; constructing and improving culverts; constructing sanitary sewers and water lines; resetting and constructing catch basins and other storm drainage facilities; constructing, reconstructing, replacing, renovating and rehabilitating bridges; acquiring any real estate and interests in real estate, including easements, necessary for such purpose; and installing signs, signals, markings and other devices for traffic control purposes, together with all necessary and incidental appurtenances, and to pay any capitalized interest and all expenses incurred in connection with the issuance of the securities, including all financing costs within the meaning of Section 133.01(K) of the Revised Code and such other costs of the foregoing permanent improvements that may be financed with the proceeds of securities as permitted by Section 133.15(B) of the Ohio Revised Code and as otherwise permitted by law.

Section 2. Authority, Security and Source of Payment. The Series 2010 Bonds shall be issued pursuant to the Ohio Constitution, Chapter 133 of the Ohio Revised Code, the Charter of the City, and this Ordinance for the purpose stated in Section 1. The Series 2010 Bonds shall be payable from and secured by the income tax revenues of the City on a basis subordinate to the security given to the General Obligation Bonds of the City ("General Obligation Bonds") under Ordinance No. 1749-80 passed by the Council on October 8, 1980, as amended by Ordinance No. 1112-83 passed by the Council on May 6, 1983, and Ordinance No. 944-96, passed by the Council on June 10, 1996 (Ordinance No. 1749-80, as so amended and as the same may further be amended from time to time in accordance with its provisions, is referred to as the "General Bond Ordinance"). The debt service on the Series 2010 Bonds shall be payable from income tax collections remaining after depositing with the escrow agent under the General Bond Ordinance the amount required for the

payment of debt service on the City's General Obligation Bonds issued and outstanding, from time to time, under the General Bond Ordinance. The Series 2010 Bonds shall be issued and secured under the terms of the Trust Indenture dated as of April 1, 2008 (the "Indenture") between the City and U.S. Bank National Association, as trustee (the "Trustee"). The Indenture secures five series of Subordinate Lien Income Tax Bonds issued on May 1, 2008 (the "Series 2008 Bonds") and permits the issuance of additional bonds, subject to certain restrictions. The Series 2008 Bonds, the Series 2010 Bonds and any additional bonds issued under the Indenture are collectively referred to in this Ordinance as the "Bonds."

Section 3. Pledge and Covenant to Maintain Income Tax. So long as Bonds are outstanding under the Indenture, the City pledges the municipal income taxes of the City and grants a lien thereon, subordinate to the lien granted in the General Bond Ordinance as security for the General Obligation Bonds of the City issued and outstanding under the General Bond Ordinance, to the full extent required to meet debt charges payable on the Bonds issued and outstanding, from time to time, under the Indenture. The City covenants to appropriate annually sufficient amounts from the income taxes to pay all debt charges on the General Obligation Bonds, the Bonds outstanding under the Indenture, any Parity Obligations and the Unrestricted Income Tax Obligations (each as defined in the Indenture). The City further covenants that so long as any Bonds are outstanding under the Indenture, the City shall not repeal or amend, or suffer the repeal of, any ordinance for the levy or collection of its income taxes in any manner or to such extent that the City would not be able to meet its obligations to the holders of the Bonds.

Section 4. Terms of the Series 2010 Bonds. The Series 2010 Bonds shall be issued in fully registered form. The Series 2010 Bonds may be issued in one or more series or subseries. The Series 2010 Bonds initially shall be delivered only in book-entry form, shall be registered in the name of the Depository (as defined in the Indenture) or its nominee, as registered owner, and immobilized in the custody of the Depository, and shall not be transferable or exchangeable (except for transfer to another Depository or its nominee) without further action by the City pursuant to the provisions of the Indenture and the Second Supplement identified in Section 7. The Series 2010 Bonds shall be designated "Bridges and Roadways Improvement Bonds, Series 2010" and may contain such further designation as provided in the Certificate of Award identified below. The Series 2010 Bonds shall be issued in one lot as fully registered Series 2010 Bonds in denominations of \$5,000 or any whole multiple thereof. The Series 2010 Bonds shall be numbered as determined by the Director of Finance. The Series 2010 Bonds shall be signed by the officials of the City and in the manner set forth in the Indenture.

The Series 2010 Bonds shall be dated as of May 15, 2010, or such other date specified in the certificate of award providing for the final terms of the Series 2010 Bonds and the sale of the Series 2010 Bonds in accordance with this Ordinance (the "Certificate of Award"). Notwithstanding and as an exception to Ordinance No. 1756-09, as may be amended, the respective principal amounts, if any, of the Series 2010 Bonds to be issued as Tax-Exempt Bonds, Direct Payment BABS, Tax Credit BABS and RZED Bonds shall be determined by the Director of Finance, based on the advice of a financial advisor, in the Certificate of Award, having due regard to the best interest of and financial advantages to the City; provided that the aggregate principal amount of Series 2010 Bonds issued as Tax-Exempt Bonds, Direct Payment BABS, Tax Credit BABS and RZED Bonds shall not exceed the amount stated in Section 1. The Series 2010 Bonds shall bear interest from their date until the principal amount is paid at the rate or rates per year specified in the Certificate of Award, provided that the weighted average of such rates (taking into account the principal amount and maturity of each Bond to which a rate applies) shall not exceed six percent (6%) per year if issued as Tax-Exempt Bonds or eight percent (8%) per year if issued as BABS or RZED Bonds. Interest on the Series 2010 Bonds shall be payable semi-annually on April 1 and October 1, or such other dates specified in the Certificate of Award (the "Interest Payment Dates").

The Series 2010 Bonds shall mature in the years and principal amounts set forth in the Certificate of Award, provided that (i) each principal payment shall occur on an Interest Payment Date, and (ii) the final maturity date of the Series 2010 Bonds shall be no later than December 31, 2027. The Series 2010 Bonds stated to mature in any year may be issued as serial Series 2010 Bonds or as term Series 2010 Bonds payable prior to stated maturity pursuant to sinking fund redemption (the "Term Bonds"). The Director of Finance shall determine in the Certificate of Award whether any of the Series 2010 Bonds shall be issued as Term Bonds, any dates (the "Mandatory Redemption Dates") on which the principal amount of the Term Bonds shall be payable pursuant to mandatory sinking fund installments rather than at stated maturity and the amount of principal to be paid on each Mandatory Redemption Date (the "Mandatory Sinking Fund Redemption Requirements"). If any of the Series 2010 Bonds are issued as Term Series 2010 Bonds, the Term Bonds shall be redeemed pursuant to the Mandatory Sinking Fund Redemption Requirements at a redemption price of 100 percent of the principal amount redeemed, plus interest accrued to the redemption date, on the Mandatory Redemption Dates. The aggregate of the moneys to be deposited with the Trustee for payment of principal of and interest on any Term Bonds shall include amounts sufficient to redeem on the

Mandatory Redemption Dates the principal amount of Term Bonds payable on those dates pursuant to the Mandatory Sinking Fund Redemption Requirements (less the amount of any credit as provided in the Indenture and the Second Supplement).

The Series 2010 Bonds may be subject to redemption prior to maturity by and at the option of the City, in whole or in part on any date, in whole multiples of \$5,000, on the redemption dates and at the redemption prices specified in the Certificate of Award, plus, in each case, accrued interest to the redemption date. Based on the written advice of a financial advisor, the Director of Finance may determine in the Certificate of Award that it is in the best interests of the City (i) for some or all of the Series 2010 Bonds not to be callable prior to their stated maturity, and (ii) for a premium to be payable on the redemption of any Series 2010 Bonds calculated in a manner to make the bondholder whole for the loss of the investment or calculated as a percentage in excess of 100% of the principal amount redeemed.

If and to the extent provided in the Certificate of Award, the City may have the option to purchase any Bond which is redeemable by optional redemption at a purchase price not less than the redemption price that would be payable if that Bond were called for optional redemption on the date of the proposed purchase. That election shall be exercised as provided in the Second Supplement.

If and to the extent provided in the Certificate of Award, the Series 2010 Bonds may be secured by a Debt Service Reserve Fund to be held by the Trustee under the Indenture. The principal amount of the Series 2010 Bonds may include provision for funding the Debt Service Reserve Fund from the proceeds of the Bonds, subject to compliance with applicable federal tax laws.

Section 5. Sale of Series 2010 Bonds. The Series 2010 Bonds shall first be offered for purchase to the Trustees of the Sinking Fund and, if not purchased by them, shall be offered to the Treasury Investment Account for purchase and, if not purchased for that Account, shall be sold to one or more firms that have proposed to underwrite the Series 2010 Bonds and have been selected by the Director of Finance based on an evaluation of the qualifications of those firms (collectively, the "Original Purchaser").

The Series 2010 Bonds shall be awarded to the Original Purchaser in the Certificate of Award which shall specify the final terms of the Series 2010 Bonds in accordance with law, the provisions of this Ordinance, the written advice of a financial advisor retained under authority of Section 12 and the Original Purchaser's offer to purchase the Series 2010 Bonds, including: the principal amount of the Series 2010 Bonds, the purchase price (which shall be not less than 97% of the principal amount plus accrued interest to their date of delivery), interest rate or rates, the amounts and years in which principal install-

ments are payable (at stated maturity or pursuant to Mandatory Sinking Fund Redemption Requirements), terms and conditions under which any Series 2010 Bonds may be redeemed prior to maturity at the option of the City, the Interest Payment Dates and the date of the Series 2010 Bonds (if different from those set forth in Section 3) and any other matters required in this Ordinance to be set forth in that Certificate. As appropriate under the Charter, the Mayor, Director of Finance, Director of Law, Clerk of Council and other appropriate officers of the City are, and each of them is, authorized to take such actions as are necessary, appropriate and in the best interest of the City to establish the terms and requirements for delivery of the Series 2010 Bonds and to make such arrangements as are necessary with the Original Purchaser in order to establish the date, location, procedures, and conditions for the delivery of the Series 2010 Bonds to the Original Purchaser, to give all appropriate notices and certificates, to cause a true transcript of proceedings with reference to the issuance of the Series 2010 Bonds to be delivered to the Original Purchaser, to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance and to take all steps necessary to effect the due execution, authentication and delivery of the Series 2010 Bonds. The Director of Finance is authorized to sign and deliver on behalf of the City a bond purchase agreement between the City and the Original Purchaser (the "Bond Purchase Agreement"), approved as to form and correctness by the Director of Law, setting forth the terms and conditions on which the City agrees to sell the Series 2010 Bonds and the Original Purchaser agrees to buy the Series 2010 Bonds on terms consistent with this Ordinance and the Indenture, that are not substantially adverse to the City and that are approved by the Director of Finance on behalf of the City, all of which shall be conclusively evidenced by the signing of the Bond Purchase Agreement or amendments to the Bond Purchase Agreement by the Director of Finance. It is determined that the terms of the Series 2010 Bonds, as provided in this Ordinance and as may be provided in or pursuant to the Certificate of Award, the Indenture and the Second Supplement, are in the best interest of the City and in compliance with all legal requirements.

Section 6. Application of Proceeds. The proceeds from the sale of the Series 2010 Bonds shall be applied as follows:

(a) to the payment of any providers of any Credit Support Instruments, the fees and expenses required to be paid by the City to obtain the Credit Support Instrument;

(b) to the Trustee, for deposit in the Interest Payment Account in the Debt Service Fund, the amount, if any, received by the City upon deliv-

ery of the Series 2010 Bonds as accrued interest from their dated date to the date of their delivery to the Original Purchaser;

(c) to the Trustee, for deposit in the Debt Service Reserve Fund, any amount identified in the Certificate of Award as required to be deposited in the Debt Service Reserve Fund; and

(d) to the Trustee for deposit in the Project Fund, the balance of the proceeds (including any original issue premium received from the sale of the Series 2010 Bonds).

Section 7. Supplemental Indenture. The Director of Finance is authorized to sign and deliver on behalf of the City a supplemental indenture (the "Second Supplement"), supplementing the Indenture to provide procedures for the authentication, registration and transfer of the Series 2010 Bonds, redemption of Series 2010 Bonds, payments under any Credit Support Instrument authorized by Section 11, application of the proceeds of the Series 2010 Bonds, defeasance of the Series 2010 Bonds, and other terms consistent with this Ordinance and the Certificate of Award and approved by the Director of Finance as not substantially adverse to the City. The Second Supplement shall be approved as to form and correctness by the Director of Law. The determination by the Director of Finance that the provisions of the Second Supplement are not substantially adverse to the City shall be conclusively evidenced by the Director's signing of the Second Supplement. As appropriate under the Charter, the Mayor, the Director of Finance, the Director of Law, the Clerk of Council and other appropriate officers of the City are, and each of them is, authorized to sign, acknowledge and deliver, in the name and on behalf of the City, such documents, certifications and instruments in addition to the Indenture and Second Supplement as may be necessary or appropriate to issue and sell the Series 2010 Bonds and to consummate the transactions authorized by this Ordinance.

Section 8. Bond Anticipation Notes. For the purpose of raising money in anticipation of the issuance of the Series 2010 Bonds for the purpose set forth in Section 1, notes of the City may be issued in an aggregate principal amount not to exceed Eight Million Seven Hundred Thousand Dollars (\$8,700,000) (the "Notes") upon the direction of the Director of Finance to be set forth in a certificate providing for the final terms of the Notes and the sale of the Notes and signed by the Director of Finance (the "Note Certificate of Award"). The Notes, if sold as fixed rate obligations, shall bear interest at such rate, not exceeding three percent (3%) per year, and shall be payable on the date or dates, as shall be determined by the Director of Finance of the City in the Note Certificate of Award; shall be dated their date of issuance; shall mature on the date set forth in the Note Certificate of Award; shall be subject to redemption by the City at any time prior to maturity without penalty, unless the Director of Finance, based on the advice of a financial

advisor, determines that it is in the best interest of the City in order to enhance the marketability of the Notes, that the Notes not be redeemable prior to maturity or that a premium be paid on their prior redemption; shall be designated "Bridges and Roadways Improvement Bond Anticipation Notes" or as otherwise provided in the Note Certificate of Award; shall be issued in such numbers and denominations as may be requested by the Note Purchaser (hereinafter defined); and shall be issued in fully registered form (which may be in a book entry only system). The provisions of Sections 9.98 to 9.983 of the Revised Code shall apply to the Notes and pursuant to that authority and this Ordinance, the Director of Finance may determine in the Certificate of Award, based on the written advice of a financial advisor, that the City's best interests will be served by causing all or a portion of the Notes to be obligations bearing interest at variable rates. If the Director of Finance so determines, then the Director of Finance shall specify in the Certificate of Award the method and procedure by which the variable rate of interest to be borne by the variable rate Notes shall be determined; provided that the variable rate Notes shall not bear interest at a rate in excess of twenty-five percent (25%) per year. The Director of Finance is authorized to enter into agreements in connection with the delivery of the variable rate Notes, and from time to time thereafter so long as the variable rate Notes are outstanding, with providers of Credit Support Instruments (as defined in Section 11) and others as may be determined by the Director of Finance, based on the written advice of a financial advisor, to be necessary or appropriate to provide for the method of determining the variable interest rates, permitting holders the right of tender, providing for liquidity or credit support for the payment of the variable rate Notes upon tender for purchase or redemption, and providing for the repayment by the City of any amounts drawn under the Credit Support Instrument. The Trustee shall be the authenticating agent, registrar, transfer agent and paying agent for the Notes. The Notes shall be signed by the officials of the City and in the manner set forth in the Indenture. The Notes shall first be offered for purchase to the Trustees of the Sinking Fund and, if not purchased by them, shall be offered to the Treasury Investment Account for purchase and, if not purchased for that Account, shall be sold at not less than par and accrued interest to one or more firms that have proposed to underwrite the Notes and have been selected by the Director of Finance based on an evaluation of the qualifications of those firms (the "Note Purchaser") in the principal amount set forth in a certificate of award to be executed by the Director of Finance (the "Note Certificate of Award"). The proceeds of such sale shall be paid into the proper fund or funds set forth in

the Note Certificate of Award and used for the purpose for which the Notes are being issued under the provisions of this Ordinance.

Section 9. Official Statement; Continuing Disclosure. If, in the judgment of the Director of Finance, a disclosure document (each, an "Official Statement") is appropriate or necessary in connection with the sale of the Notes or the Series 2010 Bonds, the Director of Finance is authorized to prepare or cause to be prepared on behalf of the City an Official Statement with respect to the Notes or the Series 2010 Bonds, as the case may be, and any necessary supplements and to authorize the use and distribution of each Official Statement and any supplements. The Director of Finance is authorized to sign on behalf of the City and in her official capacity each Official Statement and any supplements approved by her. The Director of Finance is authorized to sign and deliver on behalf of the City and in her official capacity such certificates in connection with the accuracy of each Official Statement and any supplements as may, in her judgment, be necessary or appropriate. The Director of Finance is also authorized to determine and certify on behalf of the City that such disclosure document is "deemed final" by the City within the meaning of Securities and Exchange Commission Rule 15c2-12 the "SEC Rule.") The Director of Finance is authorized to contract for services for the production and distribution of preliminary and final Official Statements, including by printed and electronic means.

For the benefit of the holders and beneficial owners from time to time of the Notes or the Series 2010 Bonds, the City agrees, in accordance with, and as the only obligated person with respect to the Notes and the Series 2010 Bonds under the SEC Rule, to provide or cause to be provided such financial information and operating data and notices, in such manner as may be required for purposes of the SEC Rule. In order to describe and specify certain terms of the City's continuing disclosure agreement for that purpose, and thereby to implement that agreement, including provisions for enforcement, amendment and termination, the Director of Finance is authorized and directed to prepare, or cause to be prepared, and to sign and deliver, in the name and on behalf of the City, a continuing disclosure agreement or certificate, which shall constitute the continuing disclosure agreement made by the City for the benefit of the holders and beneficial owners of the Notes or the Series 2010 Bonds, as the case may be, in accordance with the SEC Rule. The performance of that agreement shall be subject to the availability of funds and their annual appropriation to meet costs the City would be required to incur to perform it. The Director of Finance is further authorized to establish procedures in order to ensure compliance by the City with its continuing disclosure agreement, including the timely provision of information and notices.

Section 10. Federal Tax Considerations. (a) Tax-Exempt Bonds. The representations and covenants in this subsection (a) apply only to Series 2010 Bonds or Notes of a Series issued and sold as Tax-Exempt Bonds.

The City covenants that it will use, and will restrict the use and investment of, the proceeds of the Tax-Exempt Bonds in such manner and to such extent as may be necessary so that (i) the Tax-Exempt Bonds will not (A) constitute private activity bonds or arbitrage bonds under Sections 141 or 148 of the Code or (B) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code, and (ii) the interest on the Tax-Exempt Bonds will not be an item of tax preference under Section 57 of the Code.

The City further covenants that (i) it will take or cause to be taken such actions that may be required of it for the interest on the Tax-Exempt Bonds to be and remain excluded from gross income for federal income tax purposes, (ii) it will not take or authorize to be taken any actions that would adversely affect that exclusion, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of the Tax-Exempt Bonds to the governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

(b) BABs and RZED Bonds. The representations and covenants in this subsection (b) apply only to Series 2010 Bonds or Notes of a Series issued and sold as BABs or RZED Bonds.

The City covenants that it will use, and will restrict the use and investment of, the proceeds of such Series 2010 Bonds or Notes in such manner and to such extent as may be necessary so that such Series 2010 Bonds or Notes will qualify as Tax Credit BABs, Direct Payment BABs or RZED Bonds, as applicable, under the applicable provisions of the Code.

The City further covenants that (i) it will take or cause to be taken such actions that may be required of it for the Bonds to qualify and remain qualified as Tax Credit BABs or Direct Payment BABs or RZED Bonds, as applicable, (ii) it will not take or authorize to be taken any actions that would adversely affect that tax status, and (iii) it, or persons acting for it, will, among other acts of compliance, (A) apply the proceeds of such Series 2010 Bonds or Notes to the governmental purpose of the borrowing, (B) restrict the yield on investment property, (C) make timely and adequate payments to the federal government, (D) maintain books and records and make calculations and

reports and (E) refrain from certain uses of those proceeds, and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such tax status under the Code.

(c) Further Actions. The Director of Finance or any other officer of the City having responsibility for issuance of the Series 2010 Bonds and any Notes is hereby authorized (i) to make or effect any election, selection, designation, choice, consent, approval, or waiver on behalf of the City with respect to the Series 2010 Bonds and any Notes as the City is permitted to or required to make or give under the federal income tax laws, including, without limitation thereto, the election to issue all or any portion of the Series 2010 Bonds or any Notes as Tax Credit BABs or Direct Payment BABs or to issue all or any portion of the Series 2010 Bonds as RZED Bonds, as applicable, and any of the elections provided for in Section 54AA, 148(f)(4)(C), or 1400U-2 of the Code or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting favorable tax treatment or tax status of the Series 2010 Bonds and any Notes or interest thereon or an entitlement to tax credits or direct cash payments relating thereto, or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing rebate amounts or payments or penalties or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, which action shall be in writing and signed by the officer, (ii) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the City, as may be appropriate to assure the intended tax status of the Series 2010 Bonds and any Notes or the City's entitlement to receive one or more direct payments, and (iii) to give one or more appropriate certificates of the City, for inclusion in the transcript of proceedings for the Series 2010 Bonds and any Notes, setting forth the reasonable expectations of the City regarding the amount and use of all the proceeds of the Series 2010 Bonds and any Notes, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and direct payments or tax credits relating to the Series 2010 Bonds and any Notes and the tax status of the Series 2010 Bonds and any Notes.

Section 11. Credit Facilities and Ratings. If the Director of Finance determines it to be in the best interests of the City, based on the written advice of a financial advisor, the Director of Finance may obtain an insurance policy, letter of credit, standby bond purchase agreement or other credit enhancement instrument as further security for the payment when due of the principal of and interest on all or

any portion of the Series 2010 Bonds or any Notes (a "Credit Support Instrument"). The Director of Finance may request a rating on the Series 2010 Bonds or Notes from one or more nationally recognized rating organizations, and do any and all things and take any and all actions required to secure a Credit Support Instrument and/or a rating or ratings on the Series 2010 Bonds or Notes. The Director of Finance may enter into one or more agreements for Credit Support Instruments containing terms not materially inconsistent with this Ordinance or the Indenture. The expenditure of the amounts necessary to secure Credit Support Instruments or obtain those ratings is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts from the proceeds of the Series 2010 Bonds or Notes to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

Section 12. Financial Advisor. The Director of Finance may obtain the services of one or more financial advisors, from time to time, to assist the Director of Finance in making any of the determinations required by this Ordinance to be determined by the Director of Finance. The Director of Finance may rely on the written advice of any financial advisor so retained. Any financial advisor employed under the authority of this Ordinance shall be disinterested in the transaction and be independent of the Original Purchasers and any other party interested in the transaction.

Section 13. Open Meeting Determination. It is found and determined that all formal actions of this Council and of any of its committees concerning and relating to the passage of this Ordinance were taken, and any of its committees and that all deliberations of this Council that resulted in these formal actions were held, in meetings open to the public in compliance with all legal requirements, including, without limitation, Section 121.22 of the Revised Code.

Section 14. Findings and Recitals of Validity. It is hereby determined, represented and recited that all acts, conditions and things necessary to be done precedent to and in the issuing of the Series 2010 Bonds and the Notes in order to make them legal, valid and binding obligations of the City have happened, been done and been performed in regular and due form as required by law; and that no limitation of indebtedness or taxation, either statutory or constitutional, will have been exceeded in the issuance of the Series 2010 Bonds or the Notes. It is further found and determined, and is represented and recited, that the provisions of Sections 28, 29, 32, 33 (including the provisions of Section 33 with respect to readings on three separate days or dispensing with such readings by a two-thirds vote of all members of the Council), 36, 37, 48 and all other applicable provisions

of the City's Charter and the rules of this Council have been fully complied with and this Ordinance was passed in conformity therewith.

Section 15. Delivery to County Auditor. The Director of Finance is directed to forward a certified copy of this Ordinance and of the Certificate of Award for the Series 2010 Bonds and any Note Certificate of Award to the County Auditor of Cuyahoga County and to secure a receipt therefore.

Section 16. Severability. Each section and each part of each section of this Ordinance is declared to be an independent section or part of a section and, notwithstanding any other evidence of legislative intent, it is declared to be the controlling legislative intent that if any such section or part of a section or any provision thereof, or the application thereof to any person or circumstance, is held to be invalid, the remaining sections or parts of sections and the application of such provisions to any other person or circumstance, other than those as to which it is held invalid, shall not be affected thereby, and it is declared to be the legislative intent that the other provisions of this Ordinance would have been passed independently of such section, or parts of a section, so held to be invalid.

Section 17. Legislative Intent. All terms, conditions, pledges, covenants or agreements on the part of the City provided for in this Ordinance are made by the voluntary act of the City under its lawful authority, including its authority under its Charter and Article XVIII of the Constitution of Ohio. Any provisions of the Codified Ordinances of the City which are inconsistent with the provisions of this Ordinance shall not apply to the Series 2010 Bonds or the Notes authorized herein.

Nothing in this Ordinance is intended to, and no provision hereof shall be applied in any manner as would, impair the obligation of contract of the City with respect to any outstanding Series 2010 Bonds, notes, certificates of indebtedness, other obligations, trust indentures, trust agreements, or other agreements or contracts made or entered into by the City and for which consideration was duly received by the City prior to the passage of this Ordinance.
