**DEPARTMENT OF ECONOMIC DEVELOPMENT  
SUMMARY FOR THE LEGISLATIVE FILE**

**Project Name:** Playhouse Square Tower  
**Project Address:** East 17th/Euclid Avenue, Cleveland, OH 44115  
**Developer:** Playhouse Square  
**Project Manager:** Robin Brown  
**Ward/Councilperson:** 3 - McCormack  
**City Assistance:** Non-School TIF

**Project Summary and Discussion**

Playhouse Square Foundation or designee, (“Developer”) is proposing to develop a 34-story, 315-unit residential tower on the existing parking lot at the Southwest corner of E. 17th & Euclid Ave, Cleveland, OH 44115 (“Project Site”). The project would consist of a 4-story 550-space parking garage with residential use above. The first floor of the garage would include space that could be developed for retail if a substantial and viable tenant emerges. In order to assist with the project financing, Playhouse Square has requested the City impose a 5709.41, 30-Year, Non-school TIF. The TIF will support debt service related to the project and assist with the development of the residential tower and garage. The project will create and/or cause to create 10 new W-2 jobs at the Project Site. Estimated value of TIF is \$4,200,000.

Playhouse has been working on this project for several years. They view this project as a key element to the revitalization of the Playhouse Square district, providing a crowning building to anchor the eastern end of the district before giving way to the CSU Campus. In order to advance the project, Playhouse has been selling and refinancing its real estate holdings in order to generate the substantial cash on-hand to invest in this project. The project will remove a low-quality surface parking lot from the downtown area and is expected to attract over 300 new residents and create 10 jobs in downtown.

**Proposed City Assistance**

- This ordinance will authorize the Director of Economic Development to enter into a 30-year non-school Tax Increment Finance (TIF) agreement with Playhouse Square Foundation and/or its designee. The City will have declared certain improvements with respect to the project to be a public purpose and exempt 100% of the improvements from real property taxes.
- The Developer agrees to make certain improvements to the parcel and make payments in lieu of taxes (PILOTS) equal to the taxes that would have been paid for the parcel but for the TIF. A portion of the PILOTS will be paid to the Cleveland Metropolitan School District in the amount the District would have otherwise received but for the TIF by the County ("District Payments"). The balance of the PILOTS will be utilized to fund eligible project costs and project debt. The developer will be responsible for any shortfall of PILOT payments for project costs.
- The TIF will be immediately effective on the residential tower and new parking garage after the expiration of the 15-year tax abatement for new residential construction.

**Economic Impact/Justification**

- Estimated 10 FTE (\$288,000 annual payroll)
- Once stabilized, the project is expected to generate approximately \$800,772.22 in annual property taxes for the School District upon expiration of the residential tax abatement.
- Over the 30-year term of the TIF, the project is expected to generate approximately \$10,766,250 in residence taxes and \$216,000 in income taxes for the City.
- Construction of new downtown tower is critical to demonstrate to the market that these developments are feasible.
- Lack of new construction housing in downtown
- Serves as anchor to Euclid Avenue at CSU/Playhouse Square

**Community Benefits**

- Subject to Chapter 187: MBE/FBE/CSB requirements
- Subject to Chapter 188: Fannie Lewis Cleveland Residential Employment Law
- Subject to Chapter 189: Fair Employment Wage
- Subject to a Workforce Development Agreement for all new jobs.

**Section 3.** That, under Section 5709.41 of the Revised Code, Redeveloper, or the owners of the Improvements, shall make service payments for a period of thirty years in lieu of the exempt taxes to the Cuyahoga County Treasurer; the payments shall be charged and collected in the same manner, and shall be in an amount not less than the taxes that would have been paid had the Improvements not been exempt from taxation, subject and subordinate to any anticipated Community Reinvestment Act (CRA) residential tax abatement.

**Section 4.** That a portion of the service payments collected under this ordinance shall be distributed by the Cuyahoga County Treasurer to the Treasurer of the District in the amount of the taxes that would have been payable to the District had the Improvement not been exempt from taxation.

**Section 5.** That the Director of Economic Development is authorized to enter into an agreement or agreements with Redeveloper to provide for the exemption and service payments described in this ordinance, including agreements securing the payments described in this ordinance, which agreement or agreements shall contain those terms contained in this ordinance.

**Section 6.** That under Section 5709.43 of the Revised Code, there is established an identified Urban Redevelopment Tax Increment Equivalent Fund into which shall be deposited service Payments in Lieu of Taxes ("PILOTS") which shall be used for the purposes described in this ordinance, or File, or for other economic development purposes as determined by the Director of Economic Development.

**FIRST READING EMERGENCY  
RESOLUTION REFERRED**

**Res. No. 393-18,  
By Council Member Griffin.**

**An emergency resolution calling upon the Ohio legislature to enact a "red flag" law that would allow the seizure of guns before a person can commit an act of violence against self or others.**

Whereas, currently there is an innovative law enacted in at least five states known as the "red flag" law that allows law enforcement to seize guns from individuals determined to be a threat to themselves or others; and

Whereas, "red flag" laws in California, Washington, Oregon, Indiana and Connecticut can be used by family members or law enforcement to

ask a judge for a "gun violence restraining order" or an "extreme risk protection order" based on someone's violent or troubling behavior; and

Whereas, in Connecticut between 1999-2013, researchers found that police served 762 risk warrants, about 50 instances per year, and estimated that a gun suicide was prevented for every 10-20 seizures; police found guns in 99% of the cases in which they served warrants and seized an average of 7 firearms from each person; and

Whereas, removal of the gun via a "red flag" law is limited and targeted toward specific individuals and would create opportunities for more social services to address mental health and other safety issues; and

Whereas, 18 other states, including Florida and the District of Columbia have proposed "red flag" laws; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland

**Section 1.** That this Council hereby calls upon the Ohio legislature to enact a "red flag" law that would allow the seizure of guns before a person can commit an act of violence against self or others.

**Section 2.** That the Clerk of Council is directed to transmit copies of this resolution to Governor John Kasich and to all members of the Ohio legislature.

**An emergency resolution supporting the millions of young people in their "Enough is Enough" movement demanding that Congress and, locally, the Ohio legislature pass reasonable gun safety legislation.**

Whereas, on March 24, 2018, millions of America's youth declared "enough is enough" by participating in a "March for Our Lives" that generated hundreds of marches across the country and the world; and

Whereas, these young people marched to demand an end to gun violence in the nation's schools and in the nation's streets, and insist that Congress pass legislation that requires universal background checks, prohibits civilians from acquiring assault weapons, and

bans high-capacity magazines and bump stocks; and

Whereas, students from many northeast Ohio schools marched here in Cleveland as one of 800 marches planned internationally, spearheaded by students from Marjory Stoneman Douglas High School in Parkland, Florida, the site of the latest mass shooting that took 17 innocent lives; and

Whereas, the March for Our Lives movement here in Cleveland brought an estimated 20,000 people to Public Square in solidarity with March for Our Lives marchers around the country, protesting gun violence in our society and calling for reasonable gun safety laws; and

Whereas, beginning with the shooting at Columbine High School in 1999, more than 187,000 students attending at least 196 primary or secondary schools have experienced a shooting on campus during school hours; and

Whereas, that number - 187,000 - means that the number of children who have witnessed gunfire in their schools exceeds the population of Eugene, Oregon, or Fort Lauderdale, Florida; and

Whereas, since Columbine in 1999, there have been an average of 10 school shootings per year; and

Whereas, in 2007, a troubled freshman brought guns and knives to Cleveland's SuccessTech Academy shooting at teachers and students; the shooter shot two teachers and two students before killing himself; thankfully, all the victims survived; and

Whereas, children are affected by gun violence, not only in our nation's schools, but also in movie theaters, night clubs and in city streets; and

Whereas, this Council congratulates these young people for their commitment and activism and supports them in their fight to take back their schools and their lives, and in their demand for reasonable gun safety laws here in Ohio and in these United States; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health or safety, now, therefore,
