Contractor acknowledges that it is only entitled to payment of the fees charged which are actually collected by the Clerk. Contractor acknowledges that the City has made no representation that all fees, or any portion of them, will actually be collected by the Clerk.

B. Unclaimed vehicles.

For any vehicle that remains unclaimed, the Director of Public Safety may in his sole discretion decide upon the manner of its disposal. The proceeds from the salvaging or auctioning of each unclaimed vehicle shall be governed by the terms of Section 135.42 of the Codified Ordinances.

The entire text of Ord. No. 292-07 and C.O. Section 135.42 is incorporated into this Agreement, and parts relevant to fees are repeated in this section.

"(c) Salvage vehicle proceeds. Each contract for the towing of non-commercial or commercial vehicles shall contain a provision that provides that the division of monies received when vehicles are salvaged shall be as follows: the towing firm that impounded the vehicle shall be paid 30% of the salvage proceeds. The storage company shall be paid 60% of the proceeds, not to exceed the amount authorized for its services in these Codified Ordinances. The City of Cleveland shall be paid 10% of the proceeds, and shall also receive any monies that are not paid to either the towing or storage firms because the percentage to which they would otherwise be entitled exceeds the amount authorized for their services in these Codified Ordinances."

The provisions of this section do not limit the authority of the Director of Public Safety to dispose of such vehicles under any contract that the Director may have entered into with motor vehicle salvage dealers or scrap metal processing facilities under the authority of division (a)(3) of section 135.42 for the disposal of such vehicles.

"(b) If a vehicle is auctioned under the authority of this section, then the proceeds of the auction shall be deposited in an agency fund. The proceeds of the auction shall be disbursed from the agency fund in the following priority: the towing firm that impounded the vehicle shall be paid first, in the amount authorized for its services in these Codified Ordinances, up to the amount of the proceeds obtained. The storage company shall be paid next, in the amount authorized for its services in these Codified Ordinances, for storage for the number of days that the vehicle was stored or 30 days, whichever is less, up to the amount of proceeds remaining after the towing firm is paid. Any other costs required to be paid by the City in connection with the auction shall be paid next, up to the amount of the proceeds remaining after the towing and storage firms are paid as provided in this division. Any remaining funds shall be paid to the credit of the general fund."

E. Process Tows.

The Division of Police shall pay the costs of towing any non-commercial or commercial vehicle in any case in which the vehicle was impounded for processing by the Division of Police and the person reclaiming the vehicle is the victim of a crime and is not liable for the towing fees under the Codified Ordinances.

29. In the event that the City elects to take ownership of an unclaimed motor vehicle for purposes other than disposal of the vehicle, Contractor shall not be entitled to payment of fees otherwise chargeable.

30. In the event a vehicle is released without charge pursuant to a judgment of a hearing examiner of the Parking Violations Bureau, or pursuant to the settlement of a claim under the settlement authority of the Director of Law, or pursuant to court order, or pursuant to any other lawful authority, the Contractor shall receive no payment for the removal and conveyance of the vehicle.
