Res. No. 751-18.

By Council Member McCormack. An emergency resolution designating old Detroit Avenue between West 24th Street and Center Street as a residential permit parking area for Stonebridge Tower residents.

Whereas, the Director of Public Safety has received verified petitions by residents living in eighty percent (80%) of the living units in the area of old Detroit Avenue between West 24th Street and Center Street; and

Whereas, the Director of Public Safety has completed a survey of the above mentioned street and the surrounding areas, has held a public hearing, and has determined that the number of off-street parking spaces is inadequate to accommodate Stonebridge Tower residents' vehicles, and widespread use of available curbside parking spaces by non-resident vehicles results in a lack of nearby curbside parking; and

Whereas, the Director of Public Safety has therefore determined that Old Detroit Avenue between West 24th Street and Center Street is eligible for residential permit parking and has recommended to Council that it designate said street as a residential permit parking area; and

Whereas, Council Member McCormack concurs in the Director's recommendation; and

Whereas, old Detroit Avenue between West 24th Street and Center Street has otherwise met the objective criteria set forth in Chapter 461 of the Codified Ordinances of Cleveland, Ohio, 1976; and

Whereas, this resolution constitutes an emergency measure for the immediate preservation of public peace, property, health, or safety, now, therefore,

Be it resolved by the Council of the City of Cleveland

Section 1. That this Council hereby designates old Detroit Avenue between West 24th Street and Center Street a residential permit parking area, twenty-four (24) hours per day, seven (7) days per week.

**CIVILIAN POLICE
REVIEW BOARD**

**OPERATING MANUAL
AND PROCEDURES**

**LAST UPDATED:
JULY 19, 2017**

A. Purpose of the Police Review Board

1. The purpose of these procedures is to facilitate the operation of the Civilian Police Review Board ("CPRB"), including the review of public complaints filed against sworn police officers and non-sworn employees who are employed by the Cleveland Division of Police as authorized by the City of Cleveland Charter (§§ 115-3, 115-4).

2. In order for this purpose to be achieved, the Civilian Police Review Board, hereafter referred to as the Board or the CPRB, shall have the power to receive, cause investigation of, and recommend, and in some cases determine, the resolution of public complaints regarding misconduct allegedly committed by employees of the Cleveland Division of Police ("CDP").

B. Purpose, Scope, and Force of this Operating Manual

1. In addition to the Cleveland Charter, this Operating Manual contains all of the rules, procedures, processes, and general operations of the CPRB. If rules, procedures, processes, or operations codified elsewhere or functionally operational elsewhere and potentially, apparently, and/or actually conflict with the provisions of this Manual, the provisions of this Manual control.

2. All provisions of this Operating Manual must be considered in a manner consistent with the Charter of the City of Cleveland.

C. Duties and Responsibilities of the Board, Its Members, and Staff

1. The Board, Board members, and all Board staff must acquit themselves of the duties outlined here in a manner that is consistent with the following statement of ethics (adopted from the National Association for Civilian Oversight of Law Enforcement ("NACOLE") Code of Ethics). (See Attachment A.)

a. Members of the CPRB have a unique role as public servants

overseeing the conduct of law enforcement officers. The community, government, and law enforcement have entrusted members of the CPRB to conduct their work in a professional, fair and impartial manner. This trust is earned through a firm commitment to the public good, the mission of the CPRB, and to the ethical and professional standards described herein.

b. These standards are intended to be of general application. The spirit of these ethical and professional standards should guide CPRB members and staff in adapting to individual circumstances, and in promoting public trust, integrity and transparency.

c. Personal Integrity: CPRB members and staff will demonstrate the highest standards of personal integrity, commitment, truthfulness, and fortitude in order to inspire trust among CPRB stakeholders, and to set an example for others.

d. Avoid conflicts of interest: CPRB members and staff are expected to conduct themselves in a fair and impartial manner and recuse themselves when significant conflicts of interest arise. CPRB members and staff will not accept gifts, gratuities or favors that could compromise their impartiality and independence or that have a substantial and improper influence upon the performance of their duties. As public officials, CPRB members are bound by the City and State ethics laws.

e. Independent and Thorough Oversight: CPRB members and staff are expected to conduct all evaluations and reviews with diligence, an open and questioning mind, integrity, objectivity and fairness, and in a timely manner. CPRB members and staff are expected to rigorously test the accuracy and reliability of information from all sources and consider and present facts and findings without regard to personal beliefs or concern for personal, professional or political consequences.

f. Transparency and Confidentiality: CPRB members and staff are expected to conduct their activities openly and transparently (as permitted by applicable policy and law), to include providing explanation of CPRB and OPS procedures and practices to as wide an audience as possible. CPRB members and staff must maintain the confidentiality of information that cannot be disclosed by law and policy and protect the security of confidential records.

g. Respectful and Unbiased Treatment: CPRB members and staff must treat all individuals with dignity and respect, and without preference or discrimination including but not limited to the following protected classes: age, ethnicity, culture, race, disability, gender, gender identity, religion, sexual orientation, socioeconomic status or political beliefs.

h. Outreach and Relationships with Stakeholders: CPRB members and staff are expected to disseminate information and conduct outreach activity in the community as permitted by law and policy. CPRB members and staff pursue open, candid, and non-defensive dialogue with all stakeholders and seek to educate and learn from the community.

i. Self-examination and Commitment to Policy Review: CPRB members and staff seek continuous improvement in the effectiveness of civilian oversight of law enforcement programs in Cleveland. CPRB members and staff gauge their effectiveness through evaluation and analysis of their work product and seek to emphasize policy review aimed at substantive organizational reforms that advance law enforcement accountability and performance.

j. Professional Excellence: CPRB members and staff seek professional development to ensure competence. CPRB members and staff seek to acquire the necessary knowledge and understanding of the policies, procedures and practices of the Cleveland Division of Police and the Department of Safety and keep informed of current legal, professional and social issues that affect the community, the CDP, the Office of Professional Standards (OPS) and the CPRB.

k. Primary Obligation to the Community: At all times, CPRB members and staff place their obligation to the community, their duty to uphold the law and the goals and objectives of the CPRB, above personal self-interest.

Board staff persons shall follow all laws, rules, and regulations relevant to City employees. The Board may delegate supervisory responsibilities to the OPS Administrator or the Director of Public Safety.

i. If the Board requires that new or additional investigative work be

performed in any given matter, the Chair may coordinate the execution of such work with the OPS Administrator. Instructions regarding any additional investigative work to be performed at the Board's behest must be provided, in writing, to the OPS Administrator.

c. OPS shall promulgate internal office procedures and prepare necessary standardized forms for the Board's receipt, review, and resolution of public complaints. The daily operations of the Board, including complaint review and resolution, shall be managed by the Board Chair, who shall oversee the regular functioning of the staff assigned to help carry out the duties of the Board.

E. Authority, Jurisdiction, Duties and Responsibilities

1. Jurisdiction

a. The Board has the power to receive, cause investigation of, and recommend resolution of any and all complaints filed with it alleging misconduct by officers and non-sworn employees of the Cleveland Division of Police, regardless of their duty status, when such misconduct is directed toward any person who is not a CDP employee. On its own complaint, the Board may direct the OPS Administrator to conduct an investigation of any incident involving the use of deadly force by members of the police force and any incident resulting in the injury or death of persons in the custody of the police force.

b. Under the Charter of the City of Cleveland, the CPRB has jurisdiction over the following types of complaints of misconduct that are made against personnel of the Cleveland Division of Police:

b. The Board authorizes OPS to receive complaints on its behalf and to begin investigation of those complaints upon receipt.

c. On its own complaint, the Board may cause an investigation of incidents involving the use of deadly force by members of the police force and incidents resulting in the injury or death of persons in the custody

of the police force. These investigations will be completed by OPS in accordance with its procedures.

F. Initial Procedures

1. Transmittal of Cases

a. OPS shall provide access to the full investigative files of cases that will be considered, discussed, and/or adjudicated by the Board not fewer than 15 calendar days before the Board convenes to address the case.

i. OPS will ensure that all Board members have full access to all investigatory materials related to the case while also ensuring that OPS files will remain secure from inappropriate dissemination or disclosure. The Chair and the OPS Administrator will collaborate in the creation of a protocol which will ensure both appropriate board access and the ability to maintain the necessary security for OPS files. This protocol will be subject to review and comment by the Board and will require adoption by a majority vote of the Board.

b. The Investigative File that OPS maintains and that must be made available for Board members will include, and always in this order, the following:

i. A cover letter indicating what documents are in the file.

ii. The complaint.

iii. The allegations (or "charges") that were (1) suggested by the face of the original complaint alone, and (2) any additional allegations or charges that surfaced during the course of the investigation of the complaint.

iv. OPS's recommendations and findings including relevant case law, statutes, and Cleveland Division of Police General Policies and Procedure Orders.

v. Reports, including but not limited to incident reports, duty reports, and field reports.

vi. Audio, visual, or transcripts of interviews of witnesses or parties to the incident

vii. OPS investigator's notes

viii. Body-worn camera or dash board video and physical evidence in the investigation.

2. Notice to Complainants

a. Upon receipt of the Investigative File, the Board shall notify the complainant and each subject CDP employee. The notice shall advise in writing that the complaint will be considered by the Board; and contain an explanation of the process to be utilized by the Board.

b. The notice shall state the date, time and location of the scheduled public meeting.

c. Five days before the public meeting, the Board shall send another notification to the complainant and the subject CDP employees.

d. The Board shall use best efforts to contact the complainant and subject CDP employees, including:

i. Sending a letter via United States Postal Service to the last known address of the complainant.

ii. Providing written notice to the subject employees through the subject officer's command staff or the subject employee's supervisor.

iii. Electronic mail to the parties, when feasible.

e. The Board shall make record of notices sent.

G. Review of Complaint, Investigation, and Investigatory Follow-Up

1. Method of Investigation

a. When reviewing a complaint, Board members may use any of the methods in this Section.

2. Obtaining Documents and Other Evidence

a. While reviewing the Investigative File, Board members may make written inquiries of the OPS Administrator to obtain additional information, documents, or other evidence. Such written inquiries will become part of the OPS Investigative file.

b. Board members shall send any questions or requests to OPS as soon as possible but, in any event, at least 72 hours before the designated meeting date.

c. Board members shall allow complainants or subject employees who are present to speak after the case is called by the board and the allegations have been presented to the Board by OPS.

d. Board members may ask follow-up questions of any person who has addressed the Board.

3. Cooperation and Coordination

a. In the discharge of its duties, the Board expects complete and prompt cooperation from all employees of the City or the CPD. The Chair may lodge a formal complaint with the hiring authority of any employee of the City who does not cooperate with the Board in the lawful execution of its duties.

4. Subpoenas

a. Upon majority vote, and at the request of the OPS Administrator or his or her designee, the Board has the power to subpoena and require the attendance of witnesses, the production of documents, and/or the production of other papers pertinent to its adjudications; and shall have the power to administer oaths.

b. Prior to issuing any subpoena the Board shall notify the Director of Public Safety and the Chief of Police.

H. Assignment & Pre-Meeting Review of Cases

1. Assignment of Cases

a. All complaints that have been fully investigated by OPS and submitted to the Board ("cases") shall be assigned by the Chair for review by either a three-member panel ("Panel") or by the full Board.

b. Cases that involve misconduct that can be classified as Demeanor, Rudeness, and Improper Tow, with no other type of alleged misconduct, shall be assigned for review by a Panel unless the Chair determines that there are circumstances warranting assignment to the full Board.

c. OPS investigations classified as complex investigations shall be reviewed to the full Board for review.

2. Composition of Three-Member Panels

a. Each Panel shall select its own Chair.

b. Each Panel shall be composed of at least one Board member who was appointed by the Mayor and at least one Board member who was appointed by the City Council.

c. Assignments to Panels shall be made by rotation among Board members, using any basis (including lottery) that evenly balances the workload among Board members throughout a rolling one-year (365-day) period.

3. Pre-Meeting Review of Cases

a. All participating Board members shall complete the "Pre-Meeting Review Checklist."

i. This review shall be performed pursuant to Section (G)(2), "Obtaining Documents and Other Evidence."

ii. Board members shall apply the "preponderance of the evidence" standard of proof, set forth in Section (I)(2), "Standard of Proof."

iii. All Board members shall bring their completed "Pre-Meeting Review Checklist" to the Board meeting at which the case will be heard.

I. Hearing Procedures

1. Purpose/Scope of Hearing

a. The Board shall hear each case during a regularly scheduled meeting at which a quorum of members is present.

b. The purpose of this hearing is to review the case pursuant to the procedures set forth in this Manual, in order to reach a disposition and a recommendation on discipline for each allegation identified by OPS or by Board members during their review of the case.

c. The Board shall give weight to the OPS Administrator's recommended disposition, and shall justify in writing any departure from it. However, the Board is not bound by the OPS Administrator's recommendation, and shall reach its own conclusions regarding the appropriate disposition.

2. Standard of Proof - Dispositions

a. No finding with respect to an allegation of a case shall be sustained unless it is proven by a preponderance of the evidence. "Preponderance of the evidence" means the greater weight of evidence; for example, based on all of the evidence it is more likely than not that conduct inconsistent with CDP policy, procedure or training has occurred or has not occurred.

b. For purposes of applying the "preponderance of the evidence" standard of proof, officer performance must be evaluated against the policy, procedure, or training that was in effect on the day that, or during the relevant time period during which, the incident occurred.

3. Standard for Recommendation Regarding Discipline or Other Remedial Action

a. When considering a recommendation regarding discipline or other remedial action, the Board shall apply a standard of "just cause." In determining whether there is just cause for the recommended discipline or other remedial action, the Board shall consider all of the following:

i. Was CDP policy, procedure or training at issue documented and available to CDP officers or employees who were expected to follow it?

ii. Was OPS's investigation of the complaint complete, fair and objective?

iii. Was there sufficient evidence to establish by a preponderance of the evidence that the alleged conduct occurred and that it violated a CDP policy, procedure or training?

iv. Is the recommended discipline consistent with the CDP disciplinary GPO in place at the time the conduct occurred?

4. Presentation of Findings

a. The Presentation of Findings shall be open to the public.

b. The Presentation of Findings shall consist of the following, which shall be addressed in the following order:

i. The OPS investigator who was assigned the case and completed the OPS investigator's summary shall provide a list of the allegations investigated by OPS, a summary of their investigation, and the OPS Administrator's findings and conclusions to the Board. This summary will not necessarily inventory all evidence and investigatory material but should, at minimum, outline the nature of the complaint, the nature of the allegations involved, and the material evidence and facts established by the investigation.

ii. Following the investigator's summary, Board members shall pose any questions they may have for OPS relating to the investigation or the findings and conclusions.

5. Executive Session

a. Following the presentation of the cases, the Board shall go into Executive Session if required by law and may go into Executive Session upon the request of any Board member if permissible by law. During discussions and deliberations that occur in Executive Session, no individuals or entities who are not either Board members, Board staff, or Board Legal Counsel may be present in the room unless invited by the CPRB. The CPRB may invite the OPS Administrator or his or her designee to remain during executive session deliberations on cases in order to provide advice and consult. The Board shall move from an Executive Session back into a regular, public session only (1) upon completion of consideration of all issues listed in paragraph I.6.c for a case, and (2) upon motion by the Chair or another Board Member.

b. Board members have both an opportunity and a duty to provide the OPS investigator with written questions about investigated cases prior to Board meetings and may also ask the investigator questions during the Presentation of Findings that occurs before an Executive Session. If questions or issues nonetheless arise for the first time during an Executive Session, the Board may, on motion by the Chair or another Board member, vote on tabling deliberation and/or adjudication of a case in order to pose the question(s) or issue(s) to OPS. The Board may return to public session to make additional inquiries of OPS and then return to conclude its deliberations immediately thereafter.

i. If deliberation or consideration of any case is tabled in order for the Board to follow up with an OPS investigator on a question or issue, the deliberation or consideration of that case will continue at the earliest opportunity, or in any event no

later than at the start of the Board's next meeting, whether regularly-scheduled or otherwise.

6. Board Discussions

a. For cases to be heard by the entire Board, the Chair shall begin the discussion of the case. The goal of this discussion is to allow each Board member to reach a conclusion, by a preponderance of evidence, regarding the appropriate case disposition.

b. For cases to be heard by a three-member panel, the Panel Chair shall begin the discussion of the case. Hearings on cases assigned to three-member panels will be completed in the same manner as full Board hearings.

c. Board or panel's discussion shall address the following questions:

- i. Findings and evidence that tend to support OPS's recommendation;
 - ii. Findings and evidence that tend to not support OPS's recommendation;
 - iii. The relevant case law, statutes, and CDP policies, procedures and training;
 - iv. Whether the OPS investigation tends to support the allegation by a preponderance of the evidence. The "preponderance of the evidence" means that, based on all of the evidence, it is more likely than not that a violation has occurred;
 - v. Individual Board member recommendations.
- d. The Board shall conclude the deliberation of each case only (1) upon consideration of all issues listed above, and (2) upon motion by the Chair or another Board Member.

7. Adjudication of Cases

a. After consideration of each case, the Board shall move into the voting process.

b. Categories of Dispositions

i. The Board shall vote on a recommendation of one of the following findings for each allegation:

1. Sustained: Preponderance of the evidence supports a finding that the alleged conduct occurred and the officer's actions were inconsistent with law or CDP policy, procedure, or training. A complaint may be "sustained in part" if the investigation revealed sufficient evidence to support a finding of a policy violation on one or more, but not all of the complainant's allegations. A complaint may also be "sustained for a violation not based on original complaint" if the investigation reveals evidence of misconduct that was not included in the complainant's original allegation but arose out of the incident that is the subject of the complaint.

2. Exonerated: Preponderance of the evidence supports a finding that the alleged conduct occurred but the officer's actions were consistent with law or CDP policy, procedure or training.

3. Unfounded: Preponderance of the evidence supports a finding that the alleged conduct did not occur.

4. Insufficient Evidence: Preponderance of the evidence fails to establish whether or not the conduct occurred.

c. Standard for Disposition:

i. The Board shall apply the "preponderance of evidence" standard of proof, set forth in Section (I)(2), to each and all of the allegations identified in the investigative file.

- d. Voting
 - i. Disposition votes shall be public.
 - ii. Decisions of the Board shall be made by majority vote.
 - iii. If a majority vote cannot be achieved, the Board will recess the case until its next meeting and deliberate anew.

8. Recommendations Regarding Discipline or Other Remedial Action

a. Where the Board reaches an adjudication of "Sustained" on one or more allegations, the Board will subsequently deliberate on a recommendation regarding appropriate discipline or other remedial action.

b. Potential discipline and other remedial actions include re-training, a letter of reinstruction, counseling from a supervisor, suspension, demotion, termination, or other action that may be appropriate to address the violation.

c. To determine the recommended discipline action, the Board shall refer to the relevant Disciplinary GPO and/or other relevant General Police Orders addressing discipline, re-training, supervisory intervention, or other remedial action for misconduct or deficient performance. The Board shall make recommendations consistent with, and not materially deviating from, the Discipline GPO and/or other relevant General Police Orders.

d. In its deliberations on its disciplinary recommendations, the Board will determine the disciplinary group of the disciplinary matrix to be recommended to the Chief of Police or the Director of Public Safety. In unusual cases where the Board concludes that the discipline imposed should be at the high or low end of the range of the disciplinary matrix group, the Board may recommend a specific disciplinary outcome such as a specific number of days suspension to be served, termination or demotion, or other disciplinary or non-disciplinary action (such as verbal counseling, letter of re-instruction or remedial training).

f. The Board shall conclude the deliberation regarding discipline or other remedial action only upon motion by the Chair or another Board Member.

g. Voting

- i. Disposition votes regarding discipline shall be public.

ii. Decisions of the Board regarding recommendations on discipline or other remedial action shall be made by majority vote. In the event a majority of the Board cannot agree on a particular level of discipline, the Board Secretary will prepare an explanation of the votes cast by each Board member for the Board's final summary.

9. Recommendation Regarding Training/Policy Changes

a. In addition to recommending discipline or other remedial action for CDP officers and employees, the Board shall also consider whether a complaint suggests that CDP should revise its policies, strategies, tactics, or training.

b. If so, its Final Summary shall so indicate.

10. Recommendation Regarding Commendations

a. During review and consideration of investigations, Board members may identify officer or employee performance that is commendable, superior, noteworthy, or otherwise deserving of special and positive recognition. In such circumstances, a Board member may move that the Board issue a commendation.

b. If a majority of the Board votes to approve the motion, the Board's Chair will provide a written commendation of the identified officer or employee's performance to the Chief of Police and Director of Public Safety.

11. Final Summary

a. Board staff, under the direction of the Chair or designee, shall prepare a Final Summary with respect to each case or matter under consideration which shall include: the names of Board or panel members who reviewed the case; the final vote for each recommended disposition; an explanation that outlines with sufficient detail (1) the relevant case law, statutes, and CDP policies and procedures, (2) evidence supporting the Board's recommendation, and (3) justification for any departure from OPS's recommended disposition; if any disposition is "sustained," the Board's recommendation regarding discipline or other remedial action. If there is a recommendation regarding discipline or other remedial action, the following statement: In reaching this recommendation, the Board has determined that it is consistent with CDP's disciplinary matrix."

b. The Final Summary shall include the Board's disposition and, where applicable, recommended discipline or other remedial action, and a brief outline of the evidence that the Board concluded tended to support the disposition and/or recommendation. If the Board's recommended disposition departs from OPS's recommended disposition, the Final Summary shall also include a written justification for the departure. The Summary may also include a recommendation that the incident suggests that CDP should revise its policies, strategies, tactics, or training.

J. Special Procedures for Administrative Dismissal

1. Assignment of Cases

a. On an interim basis, cases in which OPS has initiated a disposition of "Administrative Dismissal" shall be reviewed by the Board upon a timely request for review ("appeal") by a complainant. In order to facilitate this process, OPS shall include in every disposition letter where a complaint has been administratively dismissed, notice to the complainant of their right to request a review by the Board within 15 days of the date of receipt of the OPS notice.

b. For each appeal, a three-member panel shall be chosen by the Chair in accord with Section H.2. of this Manual. Each panel member shall review the Administrative Dismissal Form prepared by OPS, to determine whether the undisputed facts support the ground(s) for administrative dismissal.

c. If the Panel members unanimously determine that the undisputed facts support the ground(s) for administrative dismissal, the Panel Chair shall check the box on the Administrative Dismissal Form stating that they concur with OPS's recommendation, sign and date the form, and return it to OPS. OPS will then notify the complainant of the completion of the Board's review.

d. If any Panel member determines that the undisputed facts do not support the grounds for administrative dismissal, or that the case requires further investigation, the appeal will be referred to the entire Board for a hearing and decision at its next meeting. If the Board, by a majority vote, determines that the undisputed facts do not support the grounds for administrative dismissal, or that the case requires further investigation, the case will be returned to OPS for investigation.

e. During the pendency of the Consent Decree between the United States and City of Cleveland addressing the performance of the Cleveland Division of Police, ongoing reviews and audits of the Administrative Dismissal process will be conducted by the Monitoring Team to ensure compliance with OPS policies and the Consent Decree.

2. Eligibility for Administrative Dismissal

i. Only the following types of complaints may be Administratively Dismissed:

a. Complaints disputing traffic citations, except that allegations of misconduct contained in such complaints (e.g., racial profiling, illegal search, excessive force) will be classified and investigated according to their merits;

b. Complaints alleging a delay in police services where the preliminary investigation demonstrates that the delay was due to workload, or was otherwise unavoidable;

c. Complaints regarding off-duty conduct, unless the employee is working secondary employment, or the alleged conduct, or its effects, are inconsistent with law or CDP policy, procedure, or training or have a substantial nexus to the officer's City employment; and

d. Complaints in which the preliminary investigation demonstrates that the officer was not an employee of CDP at the time the conduct occurred, or where the identity of the employee cannot be determined despite the best efforts of OPS.

ii. Complaints that allege other types of conduct cannot be disposed of via the Administrative Dismissal process.

K. Post-Hearing Procedures

1. Notice to Complainant and Subject CDP Employee

a. Upon completion of every hearing, the Board shall cause OPS to notify the complainant and each subject CDP employee. The notice shall contain written notice that the complaint was considered by the Board and the date of that hearing; and an explanation of the process utilized by the Board.

b. The notice shall include:

i. The date, time and location of the hearing.

ii. The nature of the Board's conclusions and recommendations

iii. An explanation of the evidence that both tended to support and tended not to support the conclusion.

iv. Information on whether there will be further proceedings related to the complaint, such as referral of the matter to the Chief of Police or Director of Public Safety for a hearing and possible imposition of discipline

c. OPS shall use best efforts to contact the complainant and subject employees, including:

i. Sending a letter via United States Postal Service to the last known address of the complainant;

ii. Providing written notice to the subject employees through the subject officers' command staff or the subject employee's supervisor; and

iii. Electronic mail to the parties, when feasible.

d. OPS shall make record of notices sent and keep the Board advised of its actions in that regard.

2. Forwarding of Recommendation to Chief of Police

a. Upon completion of a hearing, the CPRB shall deliver its Final Summary prepared for each complaint adjudicated as "Sustained" to the Chief of Police and/or the Director of Public Safety, as appropriate, within fourteen calendar days.

b. The Chief or Director of Public Safety shall hold a due process hearing, as required by law, at which involved officers may present testimony or other evidence.

L. Action Following Hearing by the Chief/Director of Public Safety

1. Notice to the CPRB of Hearing Outcome

a. Within 10 days of the conclusion of a hearing, the Chief or Director of Public Safety will notify the Board of the outcome, including the disposition of the charges and any discipline imposed.

b. If the disposition or discipline departs from the Board's recommendation, the Chief or Director of Public Safety will provide a written explanation for this departure.

2. Overriding Departure by the Chief of Police

a. In cases involving Board recommended discipline of a suspension of 10 working days or less, where the Chief of Police departs from the Board's disposition or recommendation regarding discipline or other outcome, the Board will consider whether to override the departure pursuant to the City Charter (sections 115-1 through 115-4).

b. The Chair of the Board will present the Chief's decision at the first CPRB meeting following receipt of the written explanation for the departure. If any member of the Board believes that, notwithstanding the Chief's determination, a preponderance of the evidence establishes misconduct, and that there is just cause for the Board's original recommendation regarding discipline or other remedial consequence, including suspension, demotion or termination, then the Board member shall move the Chair for reconsideration of the matter by the full Board.

c. A case shall be reconsidered, and the discipline determination

reviewed, if and only if a majority of the Board's permanent members votes to re-consider the case.

d. At the reconsideration of the case before the Board, the procedures, processes, and standards for governing the Board's initial review of the case govern, with the exception that Board members must consider (i) whether the evidence and explanation for departure tends to support or tends to not support the Chief of Police's determination, and (ii) whether there is still just cause to make a finding and/or impose discipline in light of the explanation for the departure. CPRB members must closely review and consider the disciplinary letter and other materials provided to it by the Chief, to include the content of any evidence presented at the Chief's Hearing with the subject employee.

e. For the Board to impose its original finding on any allegation where the Chief has determined not to do so, a majority of the Board's permanent members must vote that a preponderance of evidence supports the original recommendation.

f. For the Board to impose its original recommendation of discipline or other remedial action where the Chief has determined not to do so or where the Chief has determined to impose a different term of suspension, two-thirds of the Board's permanent members must vote that there is just cause to impose its original recommendation regarding suspension and/or the term of suspension.

g. If the Board votes to impose its original adjudication and/or recommendation regarding discipline or other remedial action, the Board shall prepare an Amended Final Summary explaining its rationale. The Board's Administrative Coordinator will send the Amended Final Summary to the Director of Public Safety with a copy to the Chief. The Amended Final Summary will constitute a formal certification in writing of the Board's determination, to the Chief of Police and the Director of Public Safety.

h. The Director of Public Safety is the ultimate adjudicator of discipline for CDP. If the Director does not accept the decision of the CPRB, s/he will provide a written explanation for this decision to the Chair.

3. Notice to Complainant and Subject CDP Employee

i. Within ten days of receiving notice that the Chief or Director of Public Safety has determined to impose the Board's adjudication and recommended discipline, the CPRB shall cause OPS to notify the complainant and the subject CDP employee(s).

ii. When the Chief or the Director of Public Safety has determined to depart from the Board's adjudication and/or recommended discipline, and the Board does not reconsider this determination, the Board shall cause OPS to notify the complainant and the subject CDP employee(s) no later than ten days following its next regular meeting. This notice shall include the Board's reasoning for not reconsidering the Chief's determination.

iii. When the Chief has determined to depart from the Board's adjudication and/or recommended

discipline, and the Board reconsiders this determination, the Board shall cause OPS to notify the complainant and the subject employee(s) of the outcome within ten days following the meeting at which reconsideration took place.

iv. In all cases adjudicated by the Board, the Board will direct OPS to provide a timely written explanation to the complainant and the subject employee(s) outlining the reasoning behind the Board's decision to issue findings of "insufficient evidence," "unfounded" or "exonerated."

M. Amendment to Operating Manual, Procedures, and Rules

1. The rules contained within this Operating Manual, and the procedures and rules outlined here, may only be modified, revised, amended, replaced, or otherwise changed via the following process:

i. A Board member or the Director of Public Safety must place an amendment of the Operating Manual on the Board agenda.

ii. The Manual amendment must be read and discussed as part of the agenda of a regular Board meeting at least one regular meeting prior to the amendment being the subject of a vote.

iii. The OPS Administrator must publicly announce any proposed changes, post such changes on the OPS website and provide any public feedback received to the Chair and the Board in public session.

iv. The Chair must notify the Director of Public Safety and obtain advice and consult regarding the proposed amendment which is to be shared with the Board at the time the Manual amendment is proposed to the Board.

v. For a proposed amendment to the Manual to become effective, two-thirds of the permanent members (i.e., 6 out of 9 members) must vote in favor.

2. Pursuant to City Charter Section 115-3, only those changes ultimately approved by the Director of Public Safety may become effective as part of this Manual.

3. The rules in the Manual take effect fifteen (15) days after their publication in the City Record.

4. During the pendency of the Consent Decree between the United States and City of Cleveland addressing the performance of the Cleveland Division of Police and related organizations and systems, any and all modifications, revisions, amendments, replacements, or other changes to this Manual must be approved by the Court overseeing implementation of the Decree.

**DEPARTMENT OF ECONOMIC DEVELOPMENT
SUMMARY FOR THE LEGISLATIVE FILE**

Project Name: Playhouse Square Tower
Project Address: East 17th/Euclid Avenue, Cleveland, OH 44115
Developer: Playhouse Square
Project Manager: Robin Brown
Ward/Councilperson: 3 - McCormack
City Assistance: Non-School TIF

Project Summary and Discussion

Playhouse Square Foundation or designee, (“Developer”) is proposing to develop a 34-story, 315-unit residential tower on the existing parking lot at the Southwest corner of E. 17th & Euclid Ave, Cleveland, OH 44115 (“Project Site”). The project would consist of a 4-story 550-space parking garage with residential use above. The first floor of the garage would include space that could be developed for retail if a substantial and viable tenant emerges. In order to assist with the project financing, Playhouse Square has requested the City impose a 5709.41, 30-Year, Non-school TIF. The TIF will support debt service related to the project and assist with the development of the residential tower and garage. The project will create and/or cause to create 10 new W-2 jobs at the Project Site. Estimated value of TIF is \$4,200,000.

Playhouse has been working on this project for several years. They view this project as a key element to the revitalization of the Playhouse Square district, providing a crowning building to anchor the eastern end of the district before giving way to the CSU Campus. In order to advance the project, Playhouse has been selling and refinancing its real estate holdings in order to generate the substantial cash on-hand to invest in this project. The project will remove a low-quality surface parking lot from the downtown area and is expected to attract over 300 new residents and create 10 jobs in downtown.

Proposed City Assistance

- This ordinance will authorize the Director of Economic Development to enter into a 30-year non-school Tax Increment Finance (TIF) agreement with Playhouse Square Foundation and/or its designee. The City will

have declared certain improvements with respect to the project to be a public purpose and exempt 100% of the improvements from real property taxes.

- The Developer agrees to make certain improvements to the parcel and make payments in lieu of taxes (PILOTs) equal to the taxes that would have been paid for the parcel but for the TIF. A portion of the PILOTs will be paid to the Cleveland Metropolitan School District in the amount the District would have otherwise received but for the TIF by the County ("District Payments"). The balance of the PILOTs will be utilized to fund eligible project costs and project debt. The developer will be responsible for any shortfall of PILOT payments for project costs.
- The TIF will be immediately effective on the residential tower and new parking garage after the expiration of the 15-year tax abatement for new residential construction.

Economic Impact/Justification

- Estimated 10 FTE (\$288,000 annual payroll)
- Once stabilized, the project is expected to generate approximately \$800,772.22 in annual property taxes for the School District upon expiration of the residential tax abatement.
- Over the 30-year term of the TIF, the project is expected to generate approximately \$10,766,250 in residence taxes and \$216,000 in income taxes for the City.
- Construction of new downtown tower is critical to demonstrate to the market that these developments are feasible.
- Lack of new construction housing in downtown
- Serves as anchor to Euclid Avenue at CSU/Playhouse Square

Community Benefits

- Subject to Chapter 187: MBE/FBE/CSB requirements
- Subject to Chapter 188: Fannie Lewis Cleveland Residential Employment Law
- Subject to Chapter 189: Fair Employment Wage
- Subject to a Workforce Development Agreement for all new jobs.

Section 3. That, under Section 5709.41 of the Revised Code, Redeveloper, or the owners of the Improvements, shall make service payments for a period of thirty years in lieu of the exempt taxes to the Cuyahoga County Treasurer; the payments shall be charged and collected in the same manner, and shall be in an amount not less than the taxes that would have been paid had the Improvements not been exempt from taxation, subject and subordinate to any anticipated Community Reinvestment Act (CRA) residential tax abatement.

Section 4. That a portion of the service payments collected under this ordinance shall be distributed by the Cuyahoga County Treasurer to the Treasurer of the District in the amount of the taxes that would have been payable to the District had the Improvement not been exempt from taxation.

Section 5. That the Director of Economic Development is authorized to enter into an agreement or agreements with Redeveloper to provide for the exemption and service payments described in this ordinance, including agreements securing the payments described in this ordinance, which agreement or agreements shall contain those terms contained in this ordinance.

Section 6. That under Section 5709.43 of the Revised Code, there is established an identified Urban Redevelopment Tax Increment Equivalent Fund into which shall be deposited service Payments in Lieu of Taxes ("PILOTs") which shall be used for the purposes described in this ordinance, or File, or for other economic development purposes as determined by the Director of Economic Development.

Section 7. That it is found and determined that all formal actions of this Council concerning and relating to the passage of this ordinance were adopted in open meetings of this Council, and any of its committees that resulted in formal action were in meetings open to the public in compliance with the law.

Section 8. That this ordinance is declared to be an emergency measure and, provided it receives the affirmative vote of two-thirds of all the members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest period allowed by law.

Section 630.02 Action to Abate Nuisances; Costs of Enforcement; Civil Fine

(a) Notice of Declaration of Nuisance. The Director of Public Safety or his or her designee, upon finding that three (3) or more nuisance activities as defined in Section 630.01 have occurred on separate occasions within any six (6) month period on the same property, may cause a written notice and order to be served on the owner of the property declaring that the property is a nuisance property. This notice and order shall identify the nuisance activities, and the estimated costs to abate any future nuisance activity; shall state that the owner may avoid being charged the costs of abatement by taking steps to prevent any further nuisance activity as set forth in division (d) of this section; and shall state the appeal process. The notice shall further state that if a fourth or subsequent nuisance activity as defined in Section 630.01 occurs later than thirteen (13) days after the date of the written nuisance declaration notice and within six (6) months of the date of the third or any subsequent nuisance activity, the City may abate the nuisance by responding to the activities using administrative and law enforcement actions, and the costs of the abatement shall be charged to the owner of the nuisance property and may be certified as a lien on the nuisance property. Notice shall be deemed properly delivered by delivering it personally to the owner or leaving it at the owner's usual place of business or residence, or by mailing it to the owner, or by publishing it once in a newspaper of general circulation within the City, or by posting it in a conspicuous place on the real estate involved. The notice shall also set forth the civil fines if a fifth or any subsequent nuisance activity occurs within six months of the date of the notice of a charge for the cost of abatement issued under division (b) of this section.

(b) *Abatement*. If the Director of Public Safety or his or her designee determines that a fourth or subsequent nuisance activity as defined in Section 630.01 occurs later than thirteen (13) days after the date of the initial written nuisance declaration notice and within six (6) months after the date of the third or any subsequent nuisance activity, the City may abate the nuisance activity by using administrative and law enforcement actions, and the costs of the abatement shall be charged to the owner of the property and, if not paid, may be certified by the Commissioner of Assessments and Licenses to the County Auditor to be placed on the nuisance property as a lien to be collected as other taxes and returned to the City.

The cost to abate the nuisance activity shall be calculated as set forth in division (c). The City shall provide notice to the owner of the nuisance property of the City's decision to charge the cost of abatement. If the costs are not paid by the owner, the City shall notify the owner at least thirty (30) days before the costs are certified to the County Auditor. The notice shall contain a street address or legal description of the property, a description of the nuisance activities and the cost to abate. Notices shall be served as set forth in division (a) of this section. The Director of Law may take any other action necessary to collect the costs of abatement.

(c) *Costs of Abatement*. Costs of abatement shall be determined based on the time required to respond to the nuisance activity multiplied by an hourly rate based upon the wages and benefits of a police officer, dispatch costs, vehicle and equipment costs, and supervisory and administrative costs. The hourly rate may be adjusted based on the number of police officers required to abate the nuisance.

(d) *Nuisance Abatement Plan*. The owner of a nuisance property may avoid being charged the cost of abating future nuisances if the owner meets with the Director of Public Safety or his or her designee; presents a plan to prevent further nuisance activity and that plan is approved by the Director of Public Safety or his or her designee; and implements the plan.

(e) *Civil Fine*. If the Director of Public Safety or his or her designee determines that a fifth or subsequent nuisance activity as defined in Section 630.01 occurs within 6 months after the date of the notice of a charge for the cost of abatement, a property owner shall be charged five hundred dollars (\$500.00) for a fifth nuisance activity, seven hundred fifty dollars (\$750.00) for a sixth nuisance activity and one thousand dollars (\$1,000.00) for a seventh or any subsequent nuisance activity occurring on the same property. This fine is in addition to the costs of abatement that may be charged and, if the fine is not paid, shall be certified to the County Auditor as set forth in division (b) of this section. Fines are subject to appeal as set forth in division (f) of this section.

(f) *Appeal*. The owner of a nuisance property who receives a notice declaring the owner's property to be a nuisance property, a notice charging the cost of abating nuisance activity, a notice that the cost of abatement shall be certified to the County Auditor, a notice charging a fine for a fifth or subsequent nuisance activity, or a notice that a fine shall be certified to the County Auditor, may appeal the notice by submitting a written request to the City official who issued the notice within ten (10) days of the date of the notice. If, after a decision on that appeal, the owner disagrees with the decision, the owner may appeal the decision of the City official to the Board of Zoning Appeals. An appeal to the Board of Zoning Appeals shall be made within fifteen (15) days of the postmark date of the decision from the City official denying the appeal. The Board shall conduct a hearing

and render a decision in accordance with City ordinances and regulations governing its conduct and procedure. An appeal to the Board of Zoning Appeals shall not stay any actions by the City to abate any subsequent nuisance activity. In any appeal to the Board of Zoning Appeals the City must show by a preponderance of the evidence that there was probable cause to believe that each nuisance activity stated in the notice being appealed has occurred, and that the declaration of the property as a nuisance property is justified, or that the charging of abatement costs and fines, if applicable, or the certification of abatement costs and fines, if applicable, is justified. The owner may prevail on appeal of any notice if the owner demonstrates by a preponderance of the evidence that:

(1) He or she was not the owner at the time of any of the nuisance activity that is the basis of the notice; or

(2) He or she had knowledge of the nuisance activity, but promptly and vigorously took all actions necessary to abate the nuisance activity including, without limitation, compliance with the requirements of RC 5321.17(C) and RC 5321.04(A)(9); or

(3) He or she had no knowledge of the nuisance activity and could not, with reasonable care and diligence, have known of the nuisance activity; and upon receipt of the notice of the declaration of the property as a nuisance property, he or she promptly took all actions necessary to abate the nuisance including, without limitation, compliance with the requirements of RC 5321.17(C) and RC 5321.04(A)(9).

Section 2. That existing Sections 630.01 and 630.02 of the Codified Ordinances of Cleveland, Ohio, 1976, as amended by Ordinance No. 665-16, passed August 10, 2016, are repealed.
